

# AR-15 MATCH PRO ADJUSTABLE TRIGGER - ELFTMANN AR-15 MATCH PRO TRIGGER CURVED FINGER ADJUSTABLE

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

The ELF Match Pro Trigger has been built for performance. This trigger has an adjustable pull weight between 2.75 lbs and 4 lbs. The Elf Match Pro Trigger is identical to the Match Trigger with the addition of a proprietary threaded mounting system. The combination of aerospace grade sealed bearings, precision ground threaded bushings, and screws instead of traditional pins provide a rock-solid trigger system. Since their inception, AR platforms have always used pins to mount the trigger and hammer in the lower receiver. Because pins require some "play" in order to be installed, there is always a little play in the trigger system. This new threaded system adds a level of "solid" you need to feel to understand the difference. Pull weight is so easy to adjust it can be done in seconds without removing the trigger from your lower receiver. A second-to-none AR-15 drop-in trigger system that is strong and light, made of wire EDM machined, hardened A2 tool steel and lightweight aircraft-grade aluminum. Installation can be done in minutes using the supplied installation screws. The Match Pro trigger may be ordered with a curved or straight shoe. The amazingly short take-up, glass-rod crisp break and next to zero over-travel can be compared to the finest custom 1911 triggers. Adjustability puts you in charge based on your current use. If you are looking for the finest adjustable trigger for your AR-15 platform, this is the trigger system for you.

**Features**

- Proprietary Threaded mounting system for rock solid installation.
- Straight or Curved Available
- Incremental Adjustable Knob Compatible with ALL calibers - 5.56, 9mm, .308 etc.
- Fits any mil-spec AR-15 (Standard pin size, no large pin Colt)
- Absolutely Drop-Safe regardless of pull-weight
- Factory set Pull-weight is approximately 50% lighter than that of a standard AR-15 trigger, providing a great combination of speed and accuracy
- Adjustable from 4lbs to 2 3/4lbs without removing from lower
- Full power proprietary Double-Double torsion hammer spring ensures proper ignition of primer
- Very short pull and reset allows for rapid follow up shots and greater accuracy
- Sturdy trigger assembly designed for rugged, trouble-free use; Made of lightweight aircraft-grade aluminum and hardened steel
- Unique design of disconnect allows full 1/4" width eliminating possibility of wear and double-firing
- High performance trigger and hammer needle bearings for smoother and faster firing

Benefits a wide variety of AR-15 enthusiasts, including collectors, competitive shooters, hunters, military, law enforcement, and disabled veterans

# Safety Instruction Guide for AR15 Match Pro Adjustable Trigger

## Introduction

Thank you for choosing the AR15 Match Pro Adjustable Trigger. This product has been designed for optimal performance and reliability. Please read this safety instruction guide carefully to ensure safe and effective use of the trigger.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the AR15 Match Pro Adjustable Trigger. Follow all instructions to minimize risks associated with its use.
- **Enhanced Recalls:** Stay informed about any recall notices related to this product. If you receive a recall notice, follow the provided instructions for remedy.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety requirements as mandated by EU regulations.
- **Special Consumer Focus:** This product is intended for use by adults. Keep it out of reach of children to prevent accidents.
- **EU Contact Point:** For any safety inquiries, ensure you have access to the appropriate EU-based contact point.
- **Rapid Alerts:** Regularly check the EU Safety Gate platform for updates on product safety and potential hazards.

## Specific Safety Precautions for Use

- **Installation Safety:** Ensure that the trigger is installed correctly to avoid malfunction. Consult a professional if unsure.
- **Pull Weight Adjustment:** Adjust the pull weight only when the firearm is unloaded. Always ensure the firearm is pointed in a safe direction.
- **Trigger System Integrity:** Regularly inspect the trigger for any signs of wear or damage. Replace if necessary.
- **Handling:** Always treat the firearm as if it is loaded. Keep your finger off the trigger until ready to shoot.
- **Environment:** Use the trigger in a safe and controlled environment. Avoid using it in wet or excessively dusty conditions.
- **Training:** Familiarize yourself with the trigger's operation through proper training and practice.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing trigger from the lower receiver using the supplied installation screws.
- Align the AR15 Match Pro Adjustable Trigger with the lower receiver.
- Secure the trigger using the installation screws provided. Ensure it is tightly fastened.
- Adjust the pull weight as desired, ensuring it is within the range of 2.75 lbs to 4 lbs.

### 2. Usage:

- Before using the firearm, check that the trigger is functioning correctly.
- Adjust the pull weight by turning the incremental adjustable knob. This can be done without removing the trigger from the lower receiver.
- Practice safe handling techniques while using the trigger. Always be aware of your surroundings.

## **Disposal Instructions**

- Dispose of the trigger and any associated components in accordance with local regulations.
- Do not dispose of in regular household waste. Contact local authorities for proper disposal methods for firearm components.

## **Contact Information for Further Support**

For any inquiries or support related to the AR15 Match Pro Adjustable Trigger, please refer to the manufacturer's contact details provided in the product packaging or user manual.

By following these safety instructions, you can ensure a safe and enjoyable experience with your AR15 Match Pro Adjustable Trigger. Always prioritize safety and responsible usage.
