Safety Instruction Guide for 1911 Ejector Caspian Ejector, Extended, 9MM/.38S/.40 S&W (SS)

Introduction

Thank you for choosing the 1911 Ejector Caspian Ejector. This product is designed for serious pistol shooters looking to build a custom 1911 Auto for various applications. To ensure your safety and the safe use of this product, please read and follow the guidelines outlined in this instruction guide.

General Safety Guidelines

- Always handle firearms with care and respect.
- Ensure you are familiar with the operation and safety features of your firearm.
- Always keep firearms pointed in a safe direction.
- Store firearms and ammunition separately and securely.
- Use appropriate protective equipment when handling firearms.
- Regularly inspect your firearm and its components for wear and damage.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the ejector is compatible with your specific model of 1911 (Government, Commander, Officers).
- Use only the specified calibers (.38/357, 9 mm, 40/10 mm) for the ejector to avoid malfunctions.
- Do not modify the ejector or other parts beyond the manufacturer's specifications.
- Avoid using the ejector in firearms that are not designed for its use.
- Always ensure the firearm is unloaded before installing or replacing the ejector.
- Follow all local laws and regulations regarding firearm modifications and use.

Instructions for Installation and Usage

1. Preparation:

- Ensure you have the necessary tools for installation.
- Read the manufacturer's specifications and guidelines.

2. Installation:

- Unload the firearm completely.
- Remove the slide and frame from the firearm.
- Locate the ejector mounting area on your 1911.
- Carefully remove the existing ejector, if applicable.
- Install the new Caspian ejector by aligning it properly and securing it with the appropriate screws or pins.
- Ensure the ejector is firmly in place and does not move when tested.

3. Usage:

- After installation, reassemble the firearm according to the manufacturer's instructions.
- Conduct a function test to ensure proper operation.
- Always perform a visual inspection before each use.

Disposal Instructions

- Dispose of the ejector and any other firearm parts in accordance with local regulations.
- Ensure that all components are rendered unusable before disposal.
- Recycle materials where applicable, following local recycling guidelines.

Contact Information for Further Support

For any inquiries regarding safety or product concerns, please refer to the manufacturer's website or contact their support team directly.

By following these guidelines, you will help ensure your safety and the proper functioning of your 1911 Ejector Caspian Ejector. Thank you for your attention to these important safety instructions.
