Pocket Pro Competition Electronics Pocket Pro Safety Instruction Guide

Introduction

Thank you for choosing the Pocket Pro Competition Electronics Pocket Pro. This product is designed to measure shot time intervals for personal practice and scoring matches. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Keep the device out of reach of children and vulnerable individuals.
- Do not use the device in wet or damp conditions to avoid electrical hazards.
- Regularly check the device for any signs of damage or wear. If damaged, discontinue use immediately.
- Dispose of batteries and the device responsibly, following local regulations.

Specific Safety Precautions for Use

- **Battery Safety:**
 - Use only a 9volt alkaline battery as specified.
 - Do not mix old and new batteries or different types of batteries.
 - Remove the battery if the device will not be used for an extended period.
- **Ergonomic Use:**
 - Hold the device securely to prevent dropping it during use.
 - Ensure your hands are dry to maintain a good grip.
- **Sensor and Buzzer Safety:**
 - Avoid covering the buzzer and sensor during operation to ensure proper functionality.
 - Do not attempt to modify the device, as this may lead to safety hazards.
- **Power Down Feature:**
 - The device will automatically power down after 10 minutes of inactivity. This feature helps to conserve battery life.

Instructions for Installation and Usage

1. Inserting the Battery:

- Open the battery compartment located at the back of the device.
- Insert one 9volt alkaline battery, ensuring correct polarity.
- Close the battery compartment securely.

2. Operating the Device:

- Turn on the device using the power button.
- Adjust the sensitivity settings according to your preference.
- Use the device in either right or left hand without obstructing the buzzer and sensor.
- To review shot data, press the corresponding buttons to view shot time intervals, split times, and shot numbers.
- If you need an audible indication of time limits, adjust the settings for a "second beep."

3. Using the Belt Clip:

- Attach the large clothespin style belt clip to your shooting belt for easy access during use.

Disposal Instructions

- Dispose of the device and batteries in accordance with local waste disposal regulations.
- Do not throw batteries in the regular trash; instead, take them to a designated battery recycling location.

Contact Information for Further Support

For any inquiries regarding safety or product performance, please refer to the manufacturer's contact details. Ensure you have the product model and any relevant information ready for assistance.

By following these safety instructions, you can ensure a safe and effective experience with your Pocket Pro Competition Electronics Pocket Pro. Thank you for prioritizing safety.
