Lyman Corncob Reactivator 4oz Safety Instructions

Introduction

Thank you for choosing the Lyman Corncob Reactivator 4oz. This product is designed to enhance the effectiveness of your case tumblers and accessories. To ensure safe and effective use, please read this safety instruction guide carefully. It contains important information regarding the safe handling, usage, and disposal of this product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always read and follow the instructions provided with the product.
- Keep the product out of reach of children and vulnerable individuals.
- Ensure proper ventilation when using the product.
- Avoid contact with skin and eyes. If contact occurs, rinse thoroughly with water.
- Do not ingest the product. If swallowed, seek medical attention immediately.
- Be aware of any specific allergies or sensitivities you may have to the product ingredients.
- Regularly check for any product recalls or safety alerts via the EU Safety Gate platform.

Specific Safety Precautions for Use

- Use the product only for its intended purpose as described in the instructions.
- Wear appropriate protective gear, such as gloves and safety goggles, when handling the product.
- Store the product in a cool, dry place, away from direct sunlight and heat sources.
- Do not mix with other chemicals or substances unless specified in the instructions.
- Dispose of any unused product or waste in accordance with local regulations.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your case tumbler is clean and free from any residual materials.
- Shake the Lyman Corncob Reactivator bottle gently before use.

2. Application:

- Pour the desired amount of Lyman Corncob Reactivator into the case tumbler according to the manufacturer's instructions.
- Close the tumbler securely and ensure it is sealed properly.

3. Operation:

- Turn on the case tumbler and allow it to run for the recommended time as specified in the product instructions.
- Monitor the process to ensure everything is functioning correctly.

4. PostUsage:

- After use, turn off the tumbler and open it carefully to avoid any potential dust release.
- Dispose of any remaining product as per local disposal guidelines.

Disposal Instructions

- Dispose of the Lyman Corncob Reactivator container and any unused product in accordance with local waste disposal regulations.
- Do not dispose of the product in household waste. Check for designated disposal sites or recycling programs in your area.

Contact Information for Further Support

For any questions or concerns regarding the safety and usage of the Lyman Corncob Reactivator 4oz, please contact the manufacturer or refer to the product packaging for further assistance.

By following these safety instructions, you can ensure the safe and effective use of the Lyman Corncob Reactivator 4oz. Thank you for your attention to safety and compliance.
