

222 REMINGTON PREMIUM BRASS - NOSLER 222 REMINGTON BRASS 100/BOX

[Reloading](#) > [Brass](#) > [Rifle Brass](#)

NOSLER 222 REMINGTON PREMIUM BRASS Nosler® Premium Brass is designed for those who want to take finding the perfect load into their own hands. Fully prepped and ready to load, we've gone ahead and done the meticulous case prep work for you. Each piece is chamfered, deburred, checked for proper alignment, sized and trimmed to proper length. The brass is then hand-inspected to ensure exact dimensional standards and tolerances are met, allowing for maximum accuracy and consistency. Serving shooters time after time without sacrificing performance, Nosler® Premium Brass is made with quality materials for optimum case life and unmatched reloadability. Nosler takes a few extra steps with their brass to make it a premium component for the handloader. The brass is first weigh-sorted to within + or - 0.5 grains, then the flash holes are deburred. Nosler completes the case prep with neck sizing and chamfering the inside and outside of the case mouth. All Nosler unprimed brass bears the Nosler headstamp. FEATURES Fully prepped, ready to load. Case mounts chamfered and deburred Hand-inspected and weight-sorted Flash holes are deburred and checked for proper alignment Full length sized and trimmed to proper length

Safety Instruction Guide for Nosler 222 Remington Premium Brass

Introduction

Thank you for choosing Nosler 222 Remington Premium Brass. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. It complies with the EU General Product Safety Regulation (GPSR) to protect consumers and enhance safety.

General Safety Guidelines

- Ensure safe use of the product by following all instructions.
- Be aware of potential risks associated with handling and reloading brass cartridges.
- Always store brass components in a safe location away from children and vulnerable individuals.
- Check for updates on product recalls or safety notices via the EU's Safety Gate platform.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses and gloves, when handling brass and reloading ammunition.
- Ensure that your workspace is clean and free from any distractions.
- Verify that the brass is free from defects before use. Inspect for any signs of damage or wear.
- Do not exceed the recommended load specifications when reloading.
- Store all reloading components, including brass, powder, and primers, in a secure and organized manner.
- Keep the workspace wellventilated to avoid inhalation of any dust or particles.

Instructions for Installation and Usage

- Before using the Nosler 222 Remington Premium Brass, ensure you have the necessary reloading equipment.
- Follow these steps for safe installation and use:
 1. **Inspect the Brass:** Check each piece of brass for any irregularities or damage.
 2. **Clean the Brass:** If necessary, clean the brass using appropriate methods to ensure optimal performance.
 3. **Prepare the Brass:** Ensure that the brass is properly sized and trimmed to the correct length.
 4. **Load the Brass:** Follow standard reloading procedures, ensuring that all measurements are accurate.
 5. **Store Properly:** After loading, store your loaded cartridges in a safe, dry place away from heat and moisture.

Disposal Instructions

- Dispose of any defective or damaged brass according to local regulations.
- Do not throw brass into regular waste; check for local recycling programs that accept brass materials.
- Ensure that any unused or leftover materials are stored securely and disposed of responsibly.

Contact Information for Further Support

For any questions or concerns regarding the Nosler 222 Remington Premium Brass, please refer to the manufacturer's website or contact your local retailer for assistance.

By following these guidelines, you can ensure a safe and enjoyable experience with your Nosler 222 Remington

Premium Brass. Thank you for prioritizing safety and responsible handling.
