

# HUNTER REMINGTON 700 ULT MUZZLELOADER SA PICATINNY SCOPE MOUNT - EGW REM 700 ULT MUZZLELOADER SA 1-PIECE PICATINNY BASE 0 MOA

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

Introducing the newest addition to the EGW lineup; our Hunter series picatinny scope mount. EGW saw the need for a shorter, lighter, heavy duty, picatinny scope mount and this is what they came up with. After countless hours of prototyping and testing, the Hunter mount was born. Featuring: 7075 T6 aluminum for an extremely durable yet lightweight construction. Type III hardcoat anodizing protects the mount from whatever nature can throw at it. Chamfered edges provide a snag free hunt. A compact overall length sheds 15% of its weight compared to our other Heavy Duty mounts. The Bergara Premier, and certain Remington 700 models (ie. 700 Police, 700 LTR) require the base to be drilled out for #8 screws. Our Remington 700 mounts that are predrilled are only available in our Heavy Duty platform and are available below. If you would like to drill the mount yourself, we do offer a #8 Drill Out Kit which comes with the appropriate drill bit and screws. Remington Short Action Mounts Drilled for #8 Screws: 0 MOA 20 MOA This mount fits: Remington 700 Short Action Remington 700 Ultimate Muzzleloader Remington 700 PCR Remington 700 CP Remington 722 Short Action Remington 40X Short Action Bergara B14 (#6 Screws) Christensen Arms Short Action (Please Check Your Serial Number Here) CVA Paramount CVA Paramount Pro

# Safety Instruction Guide for HUNTER REMINGTON 700 ULT MUZZLELOADER SA PICATINNY SCOPE MOUNT

## Introduction

Thank you for choosing the HUNTER REMINGTON 700 ULT MUZZLELOADER SA PICATINNY SCOPE MOUNT. This guide provides essential safety instructions to ensure the safe use and installation of your scope mount. Please read this guide thoroughly before use.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the scope mount by following all instructions and guidelines provided in this manual.
- **Enhanced Recalls:** Be aware that in the event of a safety recall, standardized notices will be issued, and remedies will be provided at no cost.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety requirements equivalent to those in physical stores.
- **Special Consumer Focus:** Extra precautions are necessary when the product is used by vulnerable groups, such as children.
- **EU Contact Point:** For safety inquiries, please ensure there is a contact point available within the EU.
- **Rapid Alerts:** Stay informed about unsafe products through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Installation:** Ensure the mount is installed correctly to avoid any hazards during use.
- **Compatibility:** Confirm that the mount is compatible with your firearm model. This mount fits the following:
  - Remington 700 Short Action
  - Remington 700 Ultimate Muzzleloader
  - Remington 700 PCR
  - Remington 700 CP
  - Remington 722 Short Action
  - Remington 40X Short Action
  - Bergara B14 (with #6 screws)
  - Christensen Arms Short Action (verify serial number)
  - CVA Paramount
  - CVA Paramount Pro
- **Weight Limit:** Do not exceed the weight limit specified by the manufacturer for mounted optics.
- **Inspection:** Regularly inspect the mount for any signs of wear or damage before use.
- **Weather Conditions:** Avoid using the mount in extreme weather conditions that may compromise safety.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure you have the necessary tools for installation, including a screwdriver and the #8 drill bit if drilling is required.
- Read the product specifications to confirm compatibility with your firearm.

### 2. Installation:

- Position the mount on the firearm's receiver, ensuring it aligns with the mounting holes.
- If your firearm requires drilling, use the #8 Drill Out Kit provided to make the necessary holes.
- Secure the mount using the provided screws, ensuring they are tightened to the manufacturer's specifications.

### **3. Usage:**

- Once installed, ensure that the mount is secure before attaching any optics.
- Regularly check the tightness of the screws during use and after extended periods of shooting.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling components where possible to minimize environmental impact.

## **Contact Information for Further Support**

For any safety inquiries or assistance regarding the installation and usage of your HUNTER REMINGTON 700 ULT MUZZLELOADER SA PICATINNY SCOPE MOUNT, please refer to the contact details provided by the retailer or manufacturer.

Thank you for your attention to these safety instructions. Your safety is our priority, and we hope you enjoy using your new scope mount responsibly.
