

# **HUNTER REMINGTON 700 ULT MUZZLELOADER SA PICATINNY SCOPE MOUNT - EGW REM 700 ULT MUZZLELOADER SA 1-PIECE PICATINNY BASE 20 MOA**

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

Introducing the newest addition to the EGW lineup; our Hunter series picatinny scope mount. EGW saw the need for a shorter, lighter, heavy duty, picatinny scope mount and this is what they came up with. After countless hours of prototyping and testing, the Hunter mount was born. Featuring: 7075 T6 aluminum for an extremely durable yet lightweight construction. Type III hardcoat anodizing protects the mount from whatever nature can throw at it. Chamfered edges provide a snag free hunt. A compact overall length sheds 15% of its weight compared to our other Heavy Duty mounts. The Bergara Premier, and certain Remington 700 models (ie. 700 Police, 700 LTR) require the base to be drilled out for #8 screws. Our Remington 700 mounts that are predrilled are only available in our Heavy Duty platform and are available below. If you would like to drill the mount yourself, we do offer a #8 Drill Out Kit which comes with the appropriate drill bit and screws. Remington Short Action Mounts Drilled for #8 Screws: 0 MOA 20 MOA This mount fits: Remington 700 Short Action Remington 700 Ultimate Muzzleloader Remington 700 PCR Remington 700 CP Remington 722 Short Action Remington 40X Short Action Bergara B14 (#6 Screws) Christensen Arms Short Action (Please Check Your Serial Number Here) CVA Paramount CVA Paramount Pro

# HUNTER REMINGTON 700 ULT MUZZLELOADER SA PICATINNY SCOPE MOUNT USER MANUAL

## Introduction

Thank you for purchasing the HUNTER REMINGTON 700 ULT MUZZLELOADER SA PICATINNY SCOPE MOUNT. This manual provides essential safety instructions and guidelines for the proper use, installation, and disposal of this product. Please read this manual carefully before using the product to ensure safe and effective operation.

## General Safety Guidelines

- Ensure that the product is used in accordance with all applicable laws and regulations.
- Always handle firearms and related accessories with care to prevent accidents.
- Keep the product out of reach of children and unauthorized users.
- Inspect the product regularly for signs of wear or damage before each use.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before installing or adjusting the scope mount.
- Use only the recommended screws and tools for installation to avoid damage to the firearm or mount.
- Ensure that the mount is securely attached before using the firearm.
- Do not exceed the manufacturer's recommendations for weight and size of the scope mounted on the rail.
- Avoid using the product in extreme weather conditions that may compromise its integrity.
- Regularly check the mount for tightness and stability during use.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including the #8 Drill Out Kit if required.
- Ensure your workspace is clean and free of distractions.

### 2. Installation Steps:

- **Remove Existing Mounts:** If any previous mounts are installed, carefully remove them.
- **Position the Base:** Place the EGW REM 700 ULT MUZZLELOADER SA 1PIECE PICATINNY BASE on the firearm's receiver.
- **Align the Mount:** Ensure that the mount is aligned correctly with the receiver before marking the drill points.
- **Drill Holes (if necessary):** If your firearm requires drilling for #8 screws, use the drill bit from the #8 Drill Out Kit to create the necessary holes.
- **Attach the Mount:** Secure the mount using the #8 screws provided, ensuring they are tightened to the recommended torque specifications.
- **Install the Scope:** Once the mount is securely in place, attach your scope according to the manufacturer's instructions.

### 3. PostInstallation Checks:

- After installation, check that the mount is stable and that there is no movement.
- Make sure the scope is properly aligned and securely mounted.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- If the product is damaged or no longer usable, consider recycling the materials where possible.

## Contact Information for Further Support

For any inquiries or concerns regarding the product, please refer to the manufacturer's official website or customer service channels for assistance.

By following these guidelines, you can ensure the safe and effective use of your HUNTER REMINGTON 700 ULT MUZZLELOADER SA PICATINNY SCOPE MOUNT. Thank you for your attention to safety, and enjoy your hunting experience!
