

RUGER PRECISION MAGNUM HD PICATINNY SCOPE MOUNT - EGW

RUGER PRECISION MAGNUM 1-PIECE PICATINNY BASE 20 MOA

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

EGW recommends measuring the hole spacing in your receiver to confirm it matches with the dimensions they have published. Picatinny cross slots run the full length of the rail, which gives the shooter flexibility when mounting scope rings and other accessories. EGW one-piece scope mounts are the obvious choice for hunters and tactical shooters alike. This mount is a Picatinny-style base and compatible with Picatinny or Weaver scope rings. EGW machines these in their shop using one of their machining centers. After machining, the mounts are tumbled, sand blasted, and Type III anodized for long lasting durability. Recommend: 20 MOA - if shooting 500-1000 yards 40 MOA - if shooting 1500+ yards When zeroing your rifle with a 20 MOA mount, EGW recommends zeroing at 200 yards. Installation: EGW recommends 20 inch lbs of torque and a drip of blue loctite (loctite is sold separately). The entire mount and accessories (from the mounting screws and wrench down to the packaging) are made in the USA. This mount fits: Ruger Precision Rifle (RPR) Magnum This mount will not work on: Ruger Precision Rimfire Ruger Precision Non Magnum

Attributes

- Name: [EGW RUGER PRECISION MAGNUM 1-PIECE PICATINNY BASE 20 MOA](#)
- Manufacturer: [EGW](#)
- Product no.: 296000752

RUGER PRECISION MAGNUM HD PICATINNY SCOPE MOUNT SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the RUGER PRECISION MAGNUM HD PICATINNY SCOPE MOUNT by EGW. This guide provides essential safety instructions and guidelines for proper installation and usage. It aims to ensure safe and effective operation of the product while complying with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always read and follow the instructions provided in this guide before using the product.
- Inspect the product for any damage or defects before installation. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the relevant authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always confirm the hole spacing in your receiver matches the published dimensions to avoid improper installation.
- Use the recommended torque of 20 inch lbs when securing the mount to ensure it is properly fastened.
- Apply a drop of blue Loctite to the mounting screws to prevent loosening during use. (Loctite is sold separately.)
- When zeroing your rifle with a 20 MOA mount, it is recommended to zero at 200 yards for optimal performance.
- Do not use this mount with Ruger Precision Rimfire or Ruger Precision NonMagnum models, as it is not compatible.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a torque wrench and the appropriate mounting screws.
- Ensure you have a clean and well-lit workspace.

2. Installation Steps:

- Measure the hole spacing in your receiver to confirm compatibility with the mount.
- Align the Picatinny style base with the receiver slots.
- Insert the mounting screws through the base and into the receiver holes.
- Tighten the screws to a torque of 20 inch lbs using a torque wrench.
- Apply a drop of blue Loctite to each screw to secure them in place.

3. Usage:

- Mount your scope rings onto the Picatinny base as per the manufacturer's instructions.
- Ensure that all accessories are securely attached and that there are no loose components.
- Regularly check the mount and accessories for tightness and wear during use.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic and metal waste.
- Do not dispose of the product in regular household waste.
- Consider recycling the product if possible to minimize environmental impact.

Contact Information for Further Support
