# INLETTING GUIDE SCREWS SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the Inletting Guide Screws by Forster Products, Inc. These screws are designed for use with the Winchester 70 rifle, providing a headless, extralong design that allows for easy installation and removal of the barreled action without the need to remove the screws. This safety instruction guide is designed to ensure the safe use of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the Inletting Guide Screws are used only for their intended purpose.
- Always read and follow the instructions provided in this guide before use.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the screws for any signs of wear or damage before each use.
- Report any unsafe conditions or accidents involving this product to the appropriate authorities.

## Specific Safety Precautions for Use

- Use the Inletting Guide Screws only with compatible firearms, specifically the Winchester 70 model.
- Avoid overtightening the screws, as this may lead to damage or malfunction.
- Do not use the screws if they are damaged or show signs of wear.
- When removing or installing the barreled action, ensure that the firearm is unloaded and pointed in a safe direction.
- Wear appropriate safety gear, such as safety glasses, when handling firearms and associated tools.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools and equipment for installation.

### 2. Installation:

- Align the Inletting Guide Screws with the designated holes on the firearm stock.
- Carefully insert the screws into the holes, ensuring they are properly seated.
- Use a screwdriver to tighten the screws gently, avoiding overtightening.

### 3. Usage:

- To remove the barreled action, simply unscrew the Inletting Guide Screws using a screwdriver.
- Store the screws in a safe location when not in use to prevent loss or damage.

### 4. Maintenance:

- Periodically check the screws for tightness and integrity.
- Clean the screws with a dry cloth to remove any debris or buildup.

## Disposal Instructions

- Dispose of any damaged or worn screws in accordance with local regulations.
- Do not dispose of screws in regular household waste. Instead, consider recycling if applicable.

## **Contact Information for Further Support**
