

BANK ROBBER CHEST RIG - SPIRITUS SYSTEMS BANK ROBBER CHEST RIG - BLACK

[Shooting Accessories](#) > [Tactical Gear](#) > [Chest Rigs](#)

The Bank Robber Chest Rig is a low profile minimalist chest worn load carriage system. It is designed to work with either Their Skinny Straps or Fat Straps set ups. It also requires a Back Strap to work properly. Shoulder and back straps are Not included and must be purchased separately! The Chest Rig is constructed entirely out of elastic material. This enables it to conform and retain oddly shaped items such as smoke grenades, flash bangs, magazines and tourniquets. The Bank Robber comes standard with 4 Elastic cells and two retention bungees designed to hold tourniquets or other like items. Due to the minimalist nature of the Bank Robber, it does not come with Velcro to mount sub loads or attach it to a plate carrier.

Bank Robber Chest Rig Safety Instructions

Introduction

Thank you for choosing the Bank Robber Chest Rig by Spiritus Systems. This chest rig is designed for safe and efficient load carriage, allowing you to carry essential items securely. Please read this safety instruction guide carefully to ensure proper use and safety.

General Safety Guidelines

- Ensure the product is suitable for your intended use.
- Regularly inspect the chest rig for any signs of wear or damage.
- Avoid overloading the chest rig beyond its intended capacity.
- Keep the chest rig out of reach of children when not in use.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Use with Compatible Straps:** The Bank Robber Chest Rig requires either Skinny Straps or Fat Straps for proper use. Ensure these straps are securely attached before use.
- **Back Strap Requirement:** A Back Strap is necessary for the chest rig to function properly. Ensure it is purchased and installed before using the rig.
- **Shoulder and Back Straps:** These straps are not included with the chest rig and must be purchased separately. Ensure they are compatible with the chest rig.
- **Avoid Sharp Objects:** Do not use the chest rig to carry sharp items that could puncture the elastic material.
- **Weight Limit:** Be mindful of the weight of the items you place in the elastic cells and bungees. Avoid exceeding the weight limit as specified by the manufacturer.

Instructions for Installation and Usage

1. Assemble the Chest Rig:

- Attach either Skinny Straps or Fat Straps to the designated points on the chest rig.
- Ensure the straps are tightened to fit securely on your body.

2. Install the Back Strap:

- Purchase a compatible Back Strap.
- Attach the Back Strap to the chest rig according to the manufacturer's instructions.

3. Loading the Chest Rig:

- Place items such as smoke grenades, flash bangs, magazines, and tourniquets into the elastic cells.
- Use the retention bungees to secure tourniquets or similar items.

4. Adjust the Fit:

- Adjust the straps to ensure a snug and comfortable fit.
- Ensure the chest rig does not obstruct movement or visibility.

5. Regular Maintenance:

- Periodically check the chest rig for any signs of wear or damage.
- Clean the elastic material as needed, following the manufacturer's recommendations.

Disposal Instructions

- Dispose of the Bank Robber Chest Rig in accordance with local regulations.
- Do not dispose of the chest rig in regular household waste if it contains materials that require special disposal.
- Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries or support regarding the Bank Robber Chest Rig, please refer to the manufacturer's website or contact their customer service. Ensure you have the product details ready for assistance.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and effective experience with your Bank Robber Chest Rig.
