

# RIFLE MAGAZINE INSERTS - SPIRITUS SYSTEMS RIFLE MAGAZINE INSERT, DOUBLE 7.62 X .51

[Home](#)

WARNING: This insert is ONLY compatible with the Micro Fight MK3 and MK4 Chassis. It is not compatible with the MK2 or MK1 Chassis, nor plate carrier kangaroo pouches. The 5.56 Rifle Single Insert is a custom insert that allows you to plus-up magazines one by one. It can fit into either pocket on the Micro Fight Chassis MK 3, as well as the FRONT POCKET only on the MK2. This product is not compatible with the MK1 series. Using elastic is very quiet when removing or adding magazines, giving you quick and easy access to your magazines while providing excellent retention. This product is also compatible with the Unity Tactical CLUTCH belt. The Micro Fight Magazine Insert is a custom solution to a common problem. Instead of using pull tabs, Velcro, snap flaps, or a hard kydex insert; we have chosen to use something a little more versatile. Using elastic is very quiet when removing or adding magazines, giving you quick and easy access to your magazines while providing excellent retention. Elastic will not deform due to heat over time and although it will loosen some with use, it will still provide excellent retention of your magazines. The magazine insert is retained by hard loop velcro sewn to both sides. This allows for the insert to fit in the front and rear pockets of the Micro Fight Chassis (MK3 and Mk4). The Micro Fight Rifle Magazine Insert will accept both PMAGS and USGI magazines. This is a critical component of the Micro Fight Chest Rig System. You can place an insert in both the front and rear pocket of your Micro Fight Chest Rig. This will enable you to hold a total of 6 x 5.56 Magazines or 4 x 7.62 Magazines. Available in Jet Black Only The Micro Fight Rifle Inserts are currently available in the following configurations:

- 5.56 x .45 - 3 magazines, single stack. Dimensions 9" x 4"
- 7.62 x .51 - 2 magazines, single stack. Dimension 7.75" x 4"
- 7.62 x .51 (HK) 2 magazines, single stack. Dimensions 9" x 4"

NOTE: The MAGAZINE INSERT is a required product for the Micro Fight Chest Rig System. Some images shown with optional accessories, sold separately.

# Safety Instruction Guide for RIFLE MAGAZINE INSERTS SPIRITUS SYSTEMS RIFLE MAGAZINE INSERT, DOUBLE 7.62 X .51

## Introduction

Thank you for choosing the RIFLE MAGAZINE INSERTS by Spiritus Systems. This guide provides essential safety instructions and recommendations to ensure the safe and effective use of your product. Please read this guide carefully before use.

## General Safety Guidelines

- **Product Safety:** This insert is designed for safe use with the Micro Fight MK3 and MK4 Chassis. It is not compatible with MK2 or MK1 Chassis, or plate carrier kangaroo pouches.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product. Regularly check the EU's Safety Gate platform for updates.
- **Online Shopping Protections:** If purchased online, ensure that the seller complies with safety regulations applicable to physical stores.
- **Special Consumer Focus:** Use this product responsibly, particularly if it may be accessed by children or vulnerable individuals.
- **EU Contact Point:** For safety inquiries, refer to the manufacturer's contact point in the EU.
- **Rapid Alerts:** Be aware of the Safety Gate system for rapid updates on unsafe products.

## Specific Safety Precautions for Use

- **Compatibility Warning:** This insert is ONLY compatible with the Micro Fight MK3 and MK4 Chassis. Using it with incompatible chassis may result in unsafe conditions.
- **Retention and Access:** The elastic design allows for quiet removal and addition of magazines, but ensure that magazines are securely retained at all times.
- **Heat Exposure:** Avoid exposing the insert to high temperatures, as it may affect the elastic's performance over time.
- **Proper Handling:** Handle the insert with care to avoid damaging the Velcro or elastic components.
- **Magazine Types:** The insert accepts both PMAGS and USGI magazines; ensure you are using compatible magazine types.

## Instructions for Installation and Usage

### 1. Installation:

- Open the front and rear pockets of the Micro Fight Chassis (MK3 and MK4).
- Align the magazine insert with the hard loop Velcro in the pockets.
- Press firmly to ensure the Velcro adheres securely to the insert.

### 2. Usage:

- For 5.56 magazines, you can place up to 6 magazines (3 in each insert).
- For 7.62 magazines, you can place up to 4 magazines (2 in each insert).
- To remove a magazine, gently pull the elastic to release the magazine from the insert.
- To add a magazine, slide it into the elastic slot until it is secure.

## **Disposal Instructions**

- Dispose of the RIFLE MAGAZINE INSERT responsibly. Check local regulations for proper disposal methods for textile materials.
- Do not incinerate or expose to extreme heat, as this may release harmful substances.

## **Contact Information for Further Support**

For any further questions or support regarding the RIFLE MAGAZINE INSERTS, please refer to the manufacturer's contact point in the EU. Always keep this safety instruction guide for future reference.
