

# MICRO TRAUMA KIT NOW! - PLUS+ - BLUE FORCE GEAR MICRO TRAUMA KIT NOW! - PLUS+ - MOLLE - PRO - COYOTE BROWN

[Emergency & Survival Gear](#) > [First Aid](#) > [First Aid Kits](#)

The Micro Trauma Kit NOW! - PLUS+ is 30% larger than the original BFG micro medic kit (MTKN). This medical pouch is for those users who want the design of the MTKN but need to carry a full-size pressure dressing and chest seal. Available with a MOLLE med kit mount that adapts to plate carriers, vests, battle belts or other MOLLE compatible surfaces. It offers the same high speed access to your medical gear as the other BFG MED MTKN and TKN trauma first aid pouches. ESSENTIALS INCLUDES: Trauma Gloves (Rolled 1x Pair), QuikClot Bleeding Control Dressing (1x), Emergency Trauma Dressing 6" (1x), Hypothermia Blanket (1x), Flat Fold Tape (1x), and Pressure Device (1x) PRO INCLUDES: Trauma Gloves (Rolled 1x Pair), QuikClot Combat Gauze LE (1x - black), Emergency Trauma Dressing 6" (1x), Hypothermia Blanket (1x) Flat Fold Tape (1x), Pressure Device (1x), and Full Size Chest Seal (1x Twin Pack) ADVANCED INCLUDES: Trauma Gloves (Rolled 1x Pair), QuikClot Combat Gauze (1x - green), Emergency Trauma Dressing 6" (1x), Hypothermia Blanket (1x) Flat Fold Tape (1x), Full Size Chest Seal (1x Twin Pack), Nasopharyngeal Airway (1x), and Decompression Needle (1x)

# MICRO TRAUMA KIT NOW! PLUS+ Safety Instruction Guide

## Introduction

Thank you for choosing the MICRO TRAUMA KIT NOW! PLUS+ by BLUE FORCE GEAR. This kit is designed to provide essential medical supplies for trauma situations. To ensure your safety and the effective use of this product, please read and follow the guidelines outlined in this instruction guide.

## General Safety Guidelines

- **Product Safety:** This kit is designed for safe use in emergency situations. Ensure you understand its contents and how to use them effectively.
- **Enhanced Recalls:** Stay informed about any recalls related to this product. If a recall is issued, follow the instructions provided for returns or exchanges.
- **Online Shopping:** If purchased online, ensure the seller complies with safety regulations. Verify the authenticity of the product.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For safety inquiries, consult the manufacturer or retailer for guidance.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates on product safety.

## Specific Safety Precautions for Use

- **Read Instructions:** Familiarize yourself with all instructions before using the kit.
- **Check Contents:** Regularly check the kit to ensure all items are present and in good condition.
- **Use as Intended:** Only use the kit for its intended purpose. Do not attempt to use medical supplies for nonmedical purposes.
- **Hygiene:** Ensure that gloves and other items are used in a clean environment to minimize infection risk.
- **Seek Professional Help:** Always seek professional medical assistance in emergencies, even if you use items from the kit.

## Instructions for Installation and Usage

- **Location:** Store the kit in an easily accessible location, such as a vehicle, home, or workplace.
- **Accessing Supplies:** Open the kit carefully to avoid damaging contents. Ensure you have adequate lighting and space to work.
- **Using Trauma Gloves:**
  - Roll out the gloves from the pouch.
  - Put on the gloves before handling any medical supplies.
- **Applying QuikClot Dressing:**
  - Open the dressing package carefully.
  - Apply directly to the wound, ensuring it covers the affected area completely.
- **Using the Emergency Trauma Dressing:**
  - Remove from packaging.
  - Place over the wound and secure in place using the builtin ties.
- **Using the Hypothermia Blanket:**
  - Unfold the blanket and wrap it around the individual to maintain body heat.
- **Using Flat Fold Tape:**
  - Cut the tape to the desired length and apply to secure dressings in place.
- **Using Pressure Device:**
  - Follow the specific instructions provided with the device for proper application.
- **Using Chest Seal:**
  - Open the twin pack and apply the seal over a chest wound as instructed.

- **Using Nasopharyngeal Airway:**
  - Lubricate the airway and gently insert it into the nostril, ensuring a clear airway.
- **Using Decompression Needle:**
  - Only use this item if trained. Follow specific instructions to relieve pressure in the chest cavity.

## **Disposal Instructions**

- Dispose of used medical supplies in accordance with local regulations.
- Do not dispose of items in regular trash if they are contaminated.
- Check with local health services for proper disposal methods for medical waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the MICRO TRAUMA KIT NOW! PLUS+, please contact the retailer or manufacturer directly for assistance.
