

MTH MATCH/TACTICAL/HUNTING 375 CALIBER (0.375") BULLETS - CUTTING EDGE BULLETS 375 CALIBER (0.375") 300GR COPPER HOLLOW POINT 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

The Cutting Edge MTH line is machined out of lead free solid copper bar stock on a CNC lathe. These are a high BC, expanding bullet designed for hunting at all ranges. A unique feature of this bullet is Cutting Edge's patented SealTite™ band which is a band slightly larger than caliber diameter around the bullet which was designed to eliminate fliers by preventing gas blow-by. The SealTite™ band also decreases copper fouling which is typically associated with mono metal bullets.

Attributes

- Name: [CUTTING EDGE BULLETS 375 CALIBER \(0.375"\) 300GR COPPER HOLLOW POINT 50/BOX](#)
- Manufacturer: [CUTTING EDGE BULLETS](#)
- Product no.: 430101266
- Mfr. No.: MTH 375 300
- Ballistic Coefficient (G1): 0.661
- Brand Style: Match Tactical Hunting
- Bullet Style: Copper Hollow Point
- Caliber: 375 Caliber
- Diameter (Breech): 0.375
- Diameter (in): 0.375

Safety Instruction Guide for MTH MATCH/TACTICAL/HUNTING 375 CALIBER (0.375") BULLETS

Introduction

Thank you for choosing the MTH MATCH/TACTICAL/HUNTING 375 CALIBER (0.375") BULLETS from Cutting Edge Bullets. This guide provides essential safety instructions to ensure the safe use of this product. Please read this document carefully before using the bullets to understand the safety guidelines, precautions, and procedures necessary for safe handling and usage.

General Safety Guidelines

- Always treat all ammunition as if it is loaded and capable of firing.
- Store bullets in a cool, dry place, away from direct sunlight and moisture.
- Keep bullets out of reach of children and unauthorized persons.
- Use only in firearms that are specifically designed for .375 caliber ammunition.
- Regularly inspect your firearm and ammunition for signs of damage or wear.
- Do not exceed the recommended load data for your firearm.
- Ensure that your firearm is properly maintained and cleaned.
- Always wear appropriate safety gear, such as eye protection and hearing protection, when handling or shooting ammunition.

Specific Safety Precautions for Use

- **Hazard Identification:**

- Potential hazards include accidental discharge and misfires.
- Improper handling can lead to injury or death.

- **Avoiding Hazards:**

- Always keep the muzzle pointed in a safe direction.
- Do not place your finger on the trigger until you are ready to shoot.
- Be aware of your surroundings and ensure that the area is clear of people and animals before firing.
- Use appropriate backstops to prevent bullets from traveling beyond the intended target.

- **Age Specific Warnings:**

- This product is intended for use by adults only.
- Minors should use this product only under the supervision of a qualified adult.

Instructions for Installation and Usage

- **Installation:**

- Ensure that you are using a compatible firearm chambered for .375 caliber ammunition.
- Open the ammunition box carefully to avoid damaging the bullets.
- Inspect each bullet for any visible defects before use.

- **Usage:**

- Load bullets into your firearm according to the manufacturer's instructions.
- Always check the firearm's chamber before loading to ensure it is clear.
- Follow the firearm manufacturer's guidelines for loading and unloading ammunition.

- **Shooting:**

- Use in designated shooting areas only.
- Follow all local laws and regulations regarding the use of firearms and ammunition.
- Practice safe shooting techniques and follow the instructions provided by your firearm's manufacturer.

Disposal Instructions

- Dispose of used or damaged bullets in accordance with local regulations.
- Do not dispose of bullets in regular household waste.
- Contact your local waste management authority for guidance on hazardous waste disposal.

Contact Information for Further Support

For any safety inquiries or concerns, please contact the manufacturer or an authorized dealer. It is essential to have a reliable point of contact for product safety issues.

By following these safety guidelines and precautions, you can help ensure a safe and enjoyable experience with your MTH MATCH/TACTICAL/HUNTING 375 CALIBER (0.375") BULLETS. Remember to stay informed about safety updates and recalls through official channels. Thank you for your attention to safety.
