# Safety Instruction Guide for the Condor Competition 12 Gauge Over/Under Shotgun

## Introduction

Congratulations on your purchase of the Condor Competition 12 Gauge Over/Under Shotgun. This guide provides essential safety information and instructions to ensure the safe use of your firearm. Please read this guide thoroughly before using your shotgun to understand the risks and precautions associated with its use.

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Never place your finger on the trigger until you are ready to shoot.
- Ensure that the shotgun is unloaded when not in use.
- Store the shotgun in a secure location, out of reach of children and unauthorized users.
- Use appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure that you have a clear line of sight before firing.
- Do not use alcohol or drugs before or while handling the shotgun.
- Regularly inspect the shotgun for any signs of wear or damage.

## Specific Safety Precautions for Use

- Always use the correct gauge ammunition for your shotgun (12 Gauge).
- Do not attempt to modify or alter the shotgun in any way.
- Be cautious when using choke tubes; ensure they are properly installed.
- Avoid shooting at hard surfaces or water that may cause ricochets.
- If a misfire occurs, wait at least 30 seconds before attempting to open the action.
- Make sure that the shotgun is clean and wellmaintained before use.
- Follow all local laws and regulations regarding firearm use and ownership.

## Instructions for Installation and Usage

### 1. Unboxing and Inspection:

- Carefully remove the shotgun from its packaging.
- Inspect the shotgun for any visible damage or defects.
- Ensure that all parts are included as per the manufacturer's specifications.

### 2. Loading the Shotgun:

- Open the action by breaking the shotgun.
- Insert the appropriate 12 Gauge ammunition into the chambers.
- Close the action securely before handling.

### 3. Firing the Shotgun:

- Position yourself in a stable shooting stance.
- Aim at your target while keeping the shotgun pointed in a safe direction.
- Place your finger on the trigger only when you are ready to shoot.
- Squeeze the trigger gently to fire.

### 4. Unloading the Shotgun:

- Open the action immediately after firing.
- Eject any spent cartridges and ensure the chambers are empty before handling further.

#### **5. Cleaning and Maintenance:**

- Regularly clean the shotgun using appropriate cleaning materials.
- Pay special attention to the barrel, action, and choke tubes.
- Store the shotgun in a cool, dry place after cleaning.

## **Disposal Instructions**

- When disposing of the shotgun, ensure that it is rendered inoperable.
- Follow local laws and regulations for the disposal of firearms.
- Contact local authorities for guidance on safe disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding your Condor Competition 12 Gauge Over/Under Shotgun, please refer to the manufacturer's contact details provided in the product documentation or visit their official website.

## **Conclusion**

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your Condor Competition 12 Gauge Over/Under Shotgun. Always prioritize safety and be responsible in your use of firearms.
