# Safety Instruction Guide for SKINNY STRAPS SPIRITUS SYSTEMS SKINNY STRAPS MULTICAM

## Introduction

Thank you for choosing the SKINNY STRAPS SPIRITUS SYSTEMS SKINNY STRAPS MULTICAM. These straps are designed for low visibility operations and are ideal for concealing your Micro Fight Chest Rig under clothing. This guide provides essential safety instructions and guidelines to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is to support the Micro Fight Chest Rig.
- Regularly inspect the straps for signs of wear or damage before each use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals to prevent accidental use or injury.
- Be aware of your surroundings when using the straps to avoid entanglement or other hazards.
- If you notice any unusual behavior or malfunction during use, discontinue use immediately and consult the manufacturer.

## Specific Safety Precautions for Use

- The maximum length of the straps is 40 inches; ensure that they are adjusted properly to avoid excessive slack or tightness.
- Always wear the straps in the "X" configuration as intended. Incorrect use may lead to instability or discomfort.
- Avoid using the straps in extreme conditions (e.g., extreme heat, cold, or moisture) that may affect their integrity.
- Do not attach any additional weight or accessories that are not recommended by the manufacturer, as this may compromise safety.
- If you are using the straps in conjunction with other equipment, ensure compatibility to avoid accidents.

## Instructions for Installation and Usage

### 1. Adjusting the Straps:

- Locate the buckle on each strap.
- Pull the strap to adjust to the desired length. Ensure that the length is neither too tight nor too loose.
- Confirm that both straps are evenly adjusted for comfort and stability.

### 2. Wearing the Straps:

- Place the straps over your shoulders, crossing them at the back to form an "X" shape.
- Secure the buckles in place, ensuring a snug fit without restricting movement.

### 3. Safety Check:

- After installation, perform a quick safety check:
  - Ensure the straps are securely fastened.
  - Check for any signs of wear or damage.
  - Confirm that the straps do not obstruct your movement.

#### **4. Removing the Straps:**

- To remove, unbuckle the straps and carefully lift them off your shoulders.
- Store the straps in a dry and cool location when not in use.

## **Disposal Instructions**

- Dispose of the product responsibly at a designated waste disposal facility.
- Do not dispose of the straps in regular household waste.
- If the product is damaged beyond use, ensure that it is cut up or rendered unusable to prevent accidental use by others.

## **Contact Information for Further Support**

For any safety inquiries, concerns, or further assistance, please reach out to the designated EU contact point provided by the manufacturer. It is essential to stay informed about product recalls and safety updates. Regularly check the EU's Safety Gate platform for the latest information on product safety.

Thank you for your attention to these safety guidelines. Your safety is our priority, and we hope you enjoy using your SKINNY STRAPS SPIRITUS SYSTEMS SKINNY STRAPS MULTICAM safely and effectively.
