Safety Instruction Guide for SKINNY STRAPS

SPIRITUS SYSTEMS SKINNY STRAPS WOODLAND

Introduction

Thank you for choosing the SKINNY STRAPS by Spiritus Systems. These Micro Fight Skinny Straps are designed for low visibility operations and provide a minimalist solution for concealing your Micro Fight Chest Rig. This guide outlines important safety instructions to ensure safe and effective use of the product, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always inspect the straps for any signs of wear or damage before use.
- Ensure that the straps are securely fastened during use to prevent accidents.
- Keep the product away from sharp objects that may cause damage.
- Use the product only as intended; do not modify the straps in any way.
- Store the straps in a cool, dry place to maintain their integrity.
- Regularly check for updates on safety recalls via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- The Skinny Straps are designed for adult use only. Keep away from children.
- Ensure that the straps are adjusted to fit properly; they should not be too tight or too loose.
- Avoid using the straps in extreme weather conditions that may compromise their functionality.
- Do not use the straps in activities that require high mobility or expose them to potential snags.
- If you experience any discomfort while using the straps, discontinue use immediately.

Instructions for Installation and Usage

1. Adjusting the Straps:

- To adjust the length of the straps, locate the buckles on both ends.
- Pull the strap through the buckle to increase or decrease the length.
- Ensure that the maximum length does not exceed 40 inches and the minimum length is no less than 6 inches.

2. Wearing the Straps:

- Place the straps over your shoulders in an "X" configuration.
- Ensure that both straps are evenly adjusted for balanced support.
- Check that the straps do not interfere with your movement or visibility.

3. Securing the Straps:

- Once properly adjusted, ensure that the buckles are securely fastened.
- Perform a quick test by gently pulling on the straps to confirm they are secure.

Disposal Instructions

- When the product is no longer in use, dispose of it in accordance with local regulations.
- Do not dispose of the straps in regular household waste if they are damaged or contain materials that may be harmful to the environment.
- Consider recycling options available in your area for fabric and plastic materials.

Contact Information for Further Support

For any safety inquiries or concerns regarding the SKINNY STRAPS, please refer to the manufacturer's contact information provided with the product packaging. It is essential to have access to support for any issues that may arise during use.

By following these guidelines, you can ensure a safe and effective experience with your SKINNY STRAPS. Thank you for your attention to safety, and enjoy your product!
