

SLIDE BUILD KITS FOR GLOCK 17® - SLIDE BUILD KIT FOR GLOCK 17 THREADED

The perfect set to build your own Glock 17~. Choose from the Brownells threaded on non-threaded barrels as well as a standard slide or a windowed slide. All sets come with an RMR Cut Slide, Barrel, RMR Plate, Sights, and a Parts Kit to finish out the slide for your build! The limited production Brownells Brown RMR Slide for Glock® 17 Gen3 pistols features a pre-cut slot for easy, secure, low-profile mounting of a Trijicon RMR or Holosun red dot sight. Up front, there are distinctive, cocking serrations that aid in manipulating the slide to check the chamber or clear a jam. And we'll admit it: the serrations just look cool, too. All RMR Slides also have standard Glock® factory front and rear sight dovetails for "iron" sights. To get proper co-witnessing with the RMR, you will need to also install suppressor-height iron sights. These limited production Brownells Brown slides for the Glock® 17 Gen3 come with a "window" cutout on top between the front serrations that enhances airflow to keep the barrel cooler - ideal for hard-working action competition pistols. Plus, if you have an upgraded barrel with a contrasting finish or a unique exterior pattern (fluting, spirals, "flames," etc.) the window lets you show it off a bit! A Brownells RMR Slide is the ideal upgrade for your factory Glock® 17 Gen3 OR the perfect "top half" for a brand-new custom gun built on a Polymer80 80% frame. Fits Gen3 Glock® 17 pistols & clones Built-in Trijicon RMR mounting slot Also accepts Holosun HE508T, HS507C & HS407C red dot sights Factory front/rear iron sight cuts, too Machined from corrosion-resistant 17-4 stainless steel billet Each RMR Slide for Glock® starts life as a billet of 17-4 stainless steel that is machined to Glock® factory specifications inside, so it'll accept factory or aftermarket barrels and internal parts. Each slide is heat-treated to Rc 41-44 on the Rockwell C scale for added surface hardness and wear resistance. The Brownells Brown slide is a limited production and once they are gone, they're gone. Brownells Gun Tech™ Note: Channel liner required for these slides. Channel liner is a press fit and requires a tool to install. We recommend #777-100-017. Includes patented optic cut technology pioneered by ZEV Technologies. Patent No. RE47335 Our Match-Grade Barrel for the Glock® 17 fits ALL generations of G17, Gen1 through Gen5. It's an excellent replacement for a shot-out factory barrel or for completing a pistol based on the G17 platform. And it's the ideal tube for a custom gun built on a Polymer80 frame with a Brownells RMR Slide on top! Each Brownells Match-Grade Barrel for Glock® 17 is machined from hardened 416R stainless steel to precise dimensions, so it's a drop-in fit on most guns. The tight lockup helps ensure superb accuracy, too. The extra-hard Black Nitride finish resists surface wear and stops in its tracks whatever corrosion might try to challenge the stainless steel. This 9mm Luger (9x17mm) chambered barrel is button-rifled with standard, 1-10" right-hand, 6-groove rifling that is compatible with "practice" ammo with non-jacketed bullets. Fits Glock® 17 Gen1 thru Gen5 Button-rifled 1-10" twist 416R stainless steel Non-reflective Black Nitride anti-corrosion finish Threaded model available with 1/2"-28 tpi threads Our match barrel for Glock® 17 is available with either a Plain muzzle with an 11-degree target crown or Threaded (1/2"-28 tpi) to enable installation of a compensator or sound suppressor. Both are laser-engraved with the chambering and the Glock model it fits.

Sicherheitshinweise für SLIDE BUILD KITS FÜR GLOCK 17® BROWNELLS

Einführung

Herzlichen Glückwunsch zu Ihrem Kauf des SLIDE BUILD KITS FÜR GLOCK 17® von Brownells. Dieses Produkt ermöglicht es Ihnen, Ihre eigene Glock 17 zu bauen. Um sicherzustellen, dass Sie das Produkt sicher und effektiv nutzen, befolgen Sie bitte die folgenden Sicherheitshinweise und Anweisungen.

Allgemeine Sicherheitsrichtlinien

- Stellen Sie sicher, dass Sie alle Anweisungen in dieser Anleitung sorgfältig lesen und verstehen, bevor Sie mit der Installation oder Verwendung des Produkts beginnen.
- Verwenden Sie das Produkt nur für den vorgesehenen Zweck und in Übereinstimmung mit den Anweisungen.
- Halten Sie das Produkt von Kindern und unbefugten Personen fern.
- Überprüfen Sie regelmäßig auf Schäden oder Abnutzung des Produkts. Bei Anzeichen von Beschädigung verwenden Sie das Produkt nicht.
- Melden Sie unsichere Produkte oder Vorfälle an die zuständigen Behörden.

Spezifische Sicherheitsvorkehrungen für die Nutzung

- Tragen Sie bei der Arbeit mit dem Slide Build Kit geeignete Schutzausrüstung, einschließlich Schutzbrille und Handschuhe.
- Achten Sie darauf, dass Sie in einer gut belüfteten Umgebung arbeiten, insbesondere wenn Sie mit Chemikalien oder Schmierstoffen umgehen.
- Verwenden Sie nur empfohlene Teile und Werkzeuge, um die Sicherheit und Funktionalität des Produkts zu gewährleisten.
- Seien Sie vorsichtig beim Umgang mit scharfen Kanten und Werkzeugen während der Installation.
- Überprüfen Sie vor der Verwendung des Produkts, ob alle Teile ordnungsgemäß installiert sind und sicher befestigt sind.

Anweisungen für Installation und Nutzung

1. Vorbereitung

- Stellen Sie sicher, dass Sie alle Teile des Kits haben, einschließlich des RMR Cut Slide, des Laufs, der RMR Platte, der Visierungen und des Teilekits.
- Lesen Sie die spezifischen Anweisungen für jeden Teil gründlich durch.

2. Installation

- Beginnen Sie mit der Installation des Laufs in den Schlitten. Achten Sie darauf, dass der Lauf korrekt ausgerichtet ist.
- Befestigen Sie die RMR Platte auf dem Schlitten unter Berücksichtigung der richtigen Ausrichtung für das Red Dot Sight.
- Installieren Sie die Visierungen entsprechend den Anweisungen, um eine ordnungsgemäße Sichtlinie zu gewährleisten.
- Überprüfen Sie alle Befestigungen, um sicherzustellen, dass sie fest sitzen.

3. Nutzung

- Überprüfen Sie vor jedem Schuss die Funktionalität und Sicherheit des Produkts.
- Verwenden Sie nur Munition, die für die Glock 17 geeignet ist. Achten Sie auf die Kaliberangabe (9mm Luger).
- Halten Sie das Produkt immer in einem sicheren Zustand, wenn es nicht verwendet wird.

Entsorgungsanweisungen

- Entsorgen Sie alle nicht mehr benötigten Teile und Verpackungen gemäß den örtlichen Vorschriften für die Entsorgung von Elektronik und Metallabfällen.
- Informieren Sie sich über lokale Recyclingprogramme, um umweltfreundlich zu handeln.

Kontaktinformationen für weitere Unterstützung

- Bei Fragen oder Bedenken zu Ihrem Produkt wenden Sie sich bitte an den Kundenservice von Brownells oder besuchen Sie die offizielle Website für weitere Informationen und Unterstützung.

Bitte beachten Sie, dass diese Sicherheitshinweise darauf abzielen, Ihnen eine sichere und effektive Nutzung des SLIDE BUILD KITS FÜR GLOCK 17® von Brownells zu ermöglichen. Ihre Sicherheit hat oberste Priorität.

Safety Instruction Guide for SLIDE BUILD KITS FOR GLOCK 17®

Introduction

Thank you for choosing the SLIDE BUILD KITS FOR GLOCK 17®. This product is designed to enhance your shooting experience while ensuring safety and compliance with the EU General Product Safety Regulation (GPSR). This guide provides essential safety instructions, usage precautions, and disposal information to help you use the product safely and effectively.

General Safety Guidelines

- Ensure that you read and understand all instructions before using the product.
- Keep this product out of reach of children and vulnerable individuals.
- Regularly check for updates regarding product recalls on the EU Safety Gate platform.
- Report any unsafe products or accidents to the relevant authorities.
- Always use the product in accordance with the manufacturer's guidelines to minimize risks.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when handling or firing firearms.
- Ensure that the firearm is unloaded before assembling or disassembling parts.
- Avoid using the product in wet or damp conditions to prevent corrosion and damage.
- Inspect all components for damage or wear before use. If any part appears defective, do not use it.
- Be aware of your surroundings and ensure that you are in a safe environment when using the firearm.
- Use only compatible parts as specified in the product description to avoid malfunctions.
- Follow all local laws and regulations regarding firearm modifications and usage.

Instructions for Installation and Usage

Installation Instructions

1. **Gather Required Tools:** Before you begin, ensure you have all necessary tools, including a channel liner installation tool (recommended #777100017).
2. **Prepare the Workspace:** Work in a clean, dry area free of distractions.
3. **Disassemble the Firearm:** Ensure the firearm is unloaded and disassemble it according to the manufacturer's instructions.
4. **Install the Channel Liner:**
 - Use the channel liner installation tool to press fit the channel liner into the slide.
 - Ensure it is securely installed to avoid any issues during use.
5. **Attach the RMR Slide:**
 - Align the RMR Slide with the mounting slot on the Glock 17 frame.
 - Securely fasten the slide according to the provided specifications.
6. **Install the Barrel:**
 - Insert the matchgrade barrel into the slide, ensuring it fits snugly.
 - Follow the manufacturer's guidelines for securing the barrel.
7. **Attach Sights:**
 - Install the appropriate sights as per your preference.
 - Ensure they are properly aligned for accurate shooting.

Usage Instructions

- Always ensure the firearm is in a safe condition before handling.
- Load ammunition only when ready to shoot.
- Follow standard firearm safety practices, including keeping the muzzle pointed in a safe direction.
- If using the RMR or Holosun red dot sights, ensure they are correctly calibrated for accuracy.
- Regularly clean and maintain your firearm and components to ensure optimal performance and safety.

Disposal Instructions

- Dispose of any unused or damaged parts in accordance with local regulations.
- Do not throw away hazardous materials in regular household waste.
- Contact your local waste management authority for proper disposal methods for firearm components.

Thank you for your attention to safety and compliance. Enjoy your enhanced shooting experience with the SLIDE BUILD KITS FOR GLOCK 17®.

Guida alla Sicurezza del Prodotto per SLIDE BUILD KITS PER GLOCK 17®

Introduzione

Benvenuto nella guida alla sicurezza del prodotto per il kit di costruzione SLIDE BUILD KITS PER GLOCK 17®. Questa guida è stata creata per garantire un utilizzo sicuro e responsabile del prodotto, in conformità con il Regolamento Generale sulla Sicurezza dei Prodotti dell'UE (GPSR). Ti invitiamo a leggere attentamente queste istruzioni prima di utilizzare il prodotto.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare il prodotto solo per lo scopo previsto.
- Controlla regolarmente il prodotto per eventuali segni di usura o danni.
- Conserva il prodotto in un luogo sicuro e fuori dalla portata dei bambini.
- Segnala eventuali prodotti difettosi o pericolosi alle autorità competenti.
- Controlla le informazioni sui richiami aggiornate sulla piattaforma Safety Gate dell'UE.

Precauzioni di Sicurezza Specifiche per l'Uso

- Indossa sempre occhiali protettivi durante l'installazione e l'uso.
- Non utilizzare il prodotto se presenta segni di danni o difetti.
- Assicurati che il prodotto sia montato correttamente prima dell'uso.
- Non tentare di modificare il prodotto in alcun modo.
- Utilizza solo componenti e accessori raccomandati dal produttore.

Istruzioni per l'Installazione e l'Uso

1. Preparazione

- Assicurati di avere tutti gli strumenti necessari a portata di mano.
- Leggi attentamente le istruzioni incluse nel kit.

2. Installazione

- Segui questi passaggi per installare il tuo SLIDE BUILD KIT:
 - Rimuovi la slide e il fusto dal pacchetto.
 - Seleziona il tipo di slide (standard o con finestra) e il fusto (filettato o non filettato).
 - Monta la slide sul fusto seguendo le istruzioni specifiche.
 - Assicurati che il taglio RMR sia allineato correttamente.
 - Fissa la piastra RMR e i mirini secondo le indicazioni.

3. Uso

- Una volta completata l'installazione, esegui un controllo finale per assicurarti che tutto sia montato correttamente.
- Testa il funzionamento del prodotto in un ambiente sicuro e controllato.
- Segui tutte le normative locali relative all'uso delle armi da fuoco.

Istruzioni per lo Smaltimento

- Segui le normative locali per lo smaltimento dei materiali del prodotto.
- Non gettare il prodotto negli scarichi o nei rifiuti domestici.
- Se il prodotto è danneggiato o non più utilizzabile, contatta un centro di smaltimento autorizzato.

Informazioni di Contatto per Ulteriori Supporto

Per ulteriori informazioni sulla sicurezza del prodotto o per domande specifiche, ti invitiamo a contattare il tuo rivenditore o un esperto di armi da fuoco. Assicurati di avere a disposizione il numero di serie del prodotto e altri dettagli rilevanti.

Conclusione

La sicurezza è la nostra priorità. Seguendo queste linee guida, puoi garantire un utilizzo sicuro e responsabile del tuo SLIDE BUILD KITS PER GLOCK 17®. Grazie per aver scelto il nostro prodotto e per il tuo impegno nella sicurezza.
