

NEXUS RIFLES - 24" NEXUS RIFLE 65PRC, NO RIFLE SCOPE

The nexus rifle system from the engineering minds at Gunwerks is the next step in the evolution of the Long Range Rifle System. Gunwerks has shed the limitations put in place by the Rem700 platform. The result yields both luxury and technology in a future-proof platform with a world of possibilities. The result of over 2 years of research and development and massive investment in manufacturing infrastructure & technology, the NEXUS is the first fully vertically integrated rifle system coming out of Gunwerks' state of the art facility in Cody, WY. Key Features: User changeable barrel Improved vertical grip New NEXUS Stock Design New NXT Action Design New Magazine & Bottom Metal Full Length ARCA + Picatinny bipod mount Specs: Caliber Options: 6.5 PRC or 300 PRC Barrel: 24" Stainless Steel, Carbon Wrapped w/ Directional Brake Overall Length: 40 3/4" (20" barrel @ 13.5 LOP) Weight: 7lbs 10oz (w/ 24" barrel) Action Material: 7075 Aluminum with Type 3 Hard Anodize Gunwerks patent-pending design allows a user to remove the stock and barrel with just a T25 wrench, and assemble it again with a new barrel and a new cartridge – all in minutes, without any concerns for part fitment or headspace safety concerns. They control the fit of their proprietary changeable bolt head and barrel extension with precision CNC machining to allow you the simplest installation possible. Truly future proof! With the design goal of a barrel system that's easy to replace and upgrade, while cutting the overall action weight down to titanium territory, the new NXT action is machined from a solid billet of aircraft grade 7075 aluminum and finished with a type III hard anodizing for extreme conditions use. The NXT also features a billet aluminum double stack magazine box that can be loaded from the top, and a firing pin blocking, three position safety. Gunwerks rounded out the NXT action with additional features like a 65 degree bolt lift, integrated 20 MOA rail, and toolless serviceable firing pin & bolt head. Building on the success and exceptional ergonomics of their ClymR and Magnus stocks, Gunwerks designed the NEXUS stock with a more vertical grip and enhanced thumb shelf. The tradeoff with these improvements is better fit, but less versatility in how a hand fits the grip to reach the trigger properly. They addressed this by developing a unique adjustable trigger shoe on the Trigger Tech trigger with .5" total forward and rear adjustment. The result is a perfect fit for almost any hand. In addition to the new grip, thumb shelf and leather paneling, Gunwerks maintained the same shallow toeline of the Magnus for excellent interface with a rear bag. The new NEXUS bottom metal interfaces with the stock as a full length ARCA + picatinny bipod rail, with built in trigger guard and accepts Gunwerks' new flush mount, detachable, double stack magazine. The Straight Carbon matte finish showcases exceptional quality hand layup structure of the stock. We integrated a full length ARCA rail into the bottom metal design of the NEXUS stock, plus a picatinny bipod mount and flush QD sling mounts. The billet aluminum, 3 round double stack magazine fits flush in the bottom metal with zero rattle and can be loaded from the top. Magazine length limitations are a constant battle in the REM700 platform. They were able to get away from this with the NEXUS design. Plenty of headroom to seat bullets out to the lands and shoulder support in the magazine to eliminate bullet tips from mashing due to recoil. Gunwerks set out to improve the skin to rifle contact on the NEXUS. Eventually, one option stood out from the rest. Nothing compares to the feel and function of luxurious, chrome tanned leather. The hand stitched leather paneling stands up well to weather and is factory serviceable should it ever need replaced. Your NEXUS leather will wear and patina with use, telling the story of your adventures and exploits as you pass this heirloom on to your posterity.

Sicherheitshinweise für das NEXUS RIFLES

GUNWERKS 24" NEXUS RIFLE 65PRC

Einführung

Willkommen zu deinem NEXUS RIFLES GUNWERKS 24" NEXUS RIFLE 65PRC. Diese Anleitung bietet wichtige Informationen zu Sicherheitsrichtlinien, die du beim Umgang mit deinem Gewehr beachten solltest. Das Ziel dieser Anleitung ist es, sicherzustellen, dass du dein Gewehr sicher und verantwortungsbewusst verwendest.

Allgemeine Sicherheitsrichtlinien

- Verwende das Gewehr nur für den vorgesehenen Zweck.
- Halte das Gewehr immer in einem sicheren Zustand, bis du bereit bist, es zu verwenden.
- Behandle jede Waffe, als ob sie geladen wäre.
- Richte den Lauf niemals auf etwas, was du nicht treffen möchtest.
- Halte den Finger immer vom Abzug, bis du bereit bist zu schießen.
- Achte darauf, dass sich keine Personen oder Tiere im Schussfeld befinden.
- Informiere dich über die geltenden Gesetze und Vorschriften in deinem Land oder deiner Region bezüglich des Besitzes und Gebrauchs von Feuerwaffen.
- Lagere das Gewehr sicher, um den Zugriff durch unbefugte Personen, insbesondere Kinder, zu verhindern.

Besondere Sicherheitsvorkehrungen bei der Nutzung

- Überprüfe vor jedem Gebrauch, ob das Gewehr in gutem Zustand ist. Achte auf Anzeichen von Verschleiß oder Beschädigung.
- Verwende nur die empfohlenen Munitionstypen (6.5 PRC oder 300 PRC), um sicherzustellen, dass dein Gewehr ordnungsgemäß funktioniert.
- Achte darauf, dass das Gewehr sauber und gut gewartet ist, um eine sichere und zuverlässige Nutzung zu gewährleisten.
- Verwende beim Schießen geeignete Schutzausrüstung, einschließlich Gehörschutz und Schutzbrille.
- Sei dir bewusst, dass das Gewehr Rückstoß erzeugt. Stelle sicher, dass du in der Lage bist, den Rückstoß zu kontrollieren.
- Lese und befolge alle Anweisungen zur Installation und Nutzung des NEXUS RIFLES.

Anweisungen zur Installation und Nutzung

Installation

- Stelle sicher, dass das Gewehr entladen ist, bevor du mit der Installation beginnst.
- Verwende den mitgelieferten T25Schlüssel, um den Stock und den Lauf zu entfernen und wieder zusammenzubauen.
- Überprüfe nach der Installation, ob alle Teile korrekt und sicher befestigt sind.

Nutzung

- Stelle sicher, dass du in einem sicheren und legalen Bereich schießt.
- Lade das Gewehr nur, wenn du bereit bist, zu schießen.
- Achte darauf, dass der Verschluss ordnungsgemäß geschlossen ist, bevor du den Abzug betätigst.
- Nach dem Schießen, entlade das Gewehr sofort und überprüfe, dass es entladen ist.

Entsorgungsanweisungen

- Entsorge leere Munition und andere Abfälle gemäß den örtlichen Vorschriften.
- Lagere nicht mehr benötigte Teile oder Zubehör sicher, um den Zugriff durch unbefugte Personen zu verhindern.
- Bei der Entsorgung von beschädigten oder defekten Teilen, konsultiere die örtlichen Vorschriften zur Entsorgung von gefährlichem Abfall.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder Unterstützung im Zusammenhang mit deinem NEXUS RIFLES GUNWERKS 24" NEXUS RIFLE 65PRC, ziehe bitte die mitgelieferte Dokumentation oder die offizielle Website von Gunwerks zu Rate.

Bitte beachte, dass die Sicherheit an erster Stelle steht. Halte dich an diese Richtlinien, um sicherzustellen, dass du und andere sicher bleiben, während du dein Gewehr verwendest.

NEXUS RIFLES Safety Instruction Guide

Introduction

Thank you for choosing the NEXUS RIFLES 24" NEXUS RIFLE 65PRC. This guide provides essential safety instructions and guidelines to ensure the safe use and maintenance of your rifle. Please read this document carefully and keep it for future reference.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Store your rifle in a secure location, out of reach of children and unauthorized users.
- Use only the recommended ammunition specified for your rifle.
- Wear appropriate eye and ear protection when shooting.
- Ensure your rifle is clean and wellmaintained before each use.
- Be aware of your surroundings and ensure a safe shooting environment.
- Never point the rifle at anything you do not intend to shoot.
- Follow all local laws and regulations regarding firearm ownership and use.

Specific Safety Precautions for Use

- Ensure the safety is engaged until you are ready to fire.
- Always keep your finger off the trigger until you are ready to shoot.
- Do not use your rifle if it has been damaged or shows signs of malfunction.
- Avoid using the rifle in adverse weather conditions that may affect performance.
- Be mindful of the rifle's weight and balance when handling, especially when transitioning between positions.
- If using a bipod or other support, ensure it is stable and secure before firing.

Instructions for Installation and Usage

Installation

1. **Barrel Change:**
 - Use a T25 wrench to remove the stock and barrel.
 - Follow the manufacturer's instructions for installing a new barrel.
2. **Stock Adjustment:**
 - Adjust the stock to fit your shoulder length for optimal comfort and control.
3. **Magazine Loading:**
 - Load the detachable magazine by inserting rounds from the top.
 - Ensure the magazine clicks into place securely.

Usage

- **Firing:**
 - Always check the chamber to ensure it is clear before loading.
 - Engage the safety before loading the magazine.
 - After loading, disengage the safety only when ready to fire.
- **Maintenance:**
 - Clean the barrel, action, and stock regularly to maintain performance.
 - Inspect the rifle for any signs of wear or damage before each use.
- **Transporting:**
 - Use a suitable case for transporting your rifle to prevent damage and ensure safety.
 - Always keep the rifle unloaded during transport.

Disposal Instructions

- Dispose of your rifle in accordance with local laws and regulations.
- If you need to dispose of ammunition, contact local authorities for guidance on safe disposal methods.
- Do not attempt to dismantle or destroy the rifle yourself.

Contact Information for Further Support

For any safety inquiries or support regarding your NEXUS RIFLES, please refer to the manufacturer's contact information provided with your product.

By adhering to these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your NEXUS RIFLES 24" NEXUS RIFLE 65PRC. Always prioritize safety and responsible firearm handling.

Guida alle Istruzioni di Sicurezza per il Fucile NEXUS GUNWERKS 24" NEXUS RIFLE 65PRC

Introduzione

Grazie per aver scelto il Fucile NEXUS GUNWERKS 24" NEXUS RIFLE 65PRC. Questa guida fornisce istruzioni di sicurezza importanti per garantire un utilizzo sicuro e responsabile del prodotto. È fondamentale seguire queste indicazioni per prevenire incidenti e garantire un'esperienza di utilizzo positiva.

Linee Guida Generali di Sicurezza

- Assicurati di leggere e comprendere tutte le istruzioni prima di utilizzare il fucile.
- Conserva questa guida in un luogo accessibile per future consultazioni.
- Non utilizzare il fucile se hai bevuto alcolici o assunto sostanze che possono influenzare il tuo giudizio.
- Tieni il fucile fuori dalla portata dei bambini e di persone non addestrate.
- Indossa sempre occhiali protettivi e protezioni per le orecchie durante l'uso del fucile.
- Controlla sempre che il fucile sia scarico quando non in uso o durante la pulizia.

Precauzioni di Sicurezza Specifiche per l'Uso

- Non puntare mai il fucile verso persone o animali.
- Assicurati che la canna sia sempre libera da ostruzioni prima di sparare.
- Utilizza solo munizioni appropriate per il tuo fucile (6.5 PRC o 300 PRC).
- Non modificare il fucile o i suoi componenti senza l'assistenza di un professionista qualificato.
- Utilizza il sistema di sicurezza a tre posizioni per bloccare il percussore quando non in uso.
- Verifica sempre il corretto funzionamento del caricatore prima di utilizzare il fucile.

Istruzioni per l'Installazione e l'Uso

1. Installazione della Calciatura e della Canna

- Utilizza un cacciavite T25 per rimuovere la calciatura e la canna.
- Segui le istruzioni di assemblaggio per installare la nuova canna e calciatura.
- Assicurati che tutte le parti siano ben fissate prima di utilizzare il fucile.

2. Caricamento del Fucile

- Assicurati che il fucile sia scarico.
- Inserisci il caricatore nel metallo inferiore fino a sentire un clic.
- Carica le munizioni nel caricatore dall'alto.

3. Uso del Fucile

- Posizionati in una posizione sicura e stabile.
- Punta il fucile verso il bersaglio e verifica che non ci siano ostacoli.
- Attiva il sistema di sicurezza e preparati a sparare solo quando sei pronto.

4. Pulizia e Manutenzione

- Pulire il fucile regolarmente per garantirne il corretto funzionamento.
- Segui le istruzioni del produttore per la pulizia delle parti interne ed esterne.

Istruzioni per il Disposizione

- Non smaltire il fucile o le munizioni in modo irresponsabile.
- Segui le normative locali per il corretto smaltimento di armi e munizioni.
- Contatta le autorità locali per informazioni sullo smaltimento sicuro.

Informazioni di Contatto per Ulteriore Supporto

Per domande o problemi relativi alla sicurezza del prodotto, è importante contattare il produttore o un rivenditore autorizzato. Assicurati di avere il numero di modello e altre informazioni pertinenti a portata di mano per ricevere assistenza.

Nota: Questa guida è stata redatta in conformità con il Regolamento Generale sulla Sicurezza dei Prodotti dell'UE (GPSR) per garantire la massima sicurezza e protezione dei consumatori. Se hai domande sui rischi associati all'uso di questo prodotto, ti invitiamo a rivolgerti a un professionista qualificato.
