

FULL LENGTH SIZING AND BENCH REST SEATER DIE SETS - FORSTER PRODUCTS, INC. 22 CREEDMOOR FULL LENGTH BENCH REST DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Forster Bench Rest Reloading Dies are of excellent quality and provide the reloader with the ability to produce concentric rounds time and time again. Each die is manufactured from the finest quality steel carefully machined to very tight tolerances. Dies are hand polished both before and after the heat-treating process to guarantee an extra fine finish. All Forster reloading dies feature their Forster Cross Bolt Die Locking Ring that tightens the two ends of the split ring instead of tightening a screw directly into the threads of the die. A full length two die set is the die set beginning reloaders should start with, and the die set most hunters and many target shooters use every time they reload their cases. These Forster full length die sets include a full length sizing die and the Forster Bench Rest seater die. Forster full length sizers feature hand polishing and the E-Z case neck expander system - a Forster exclusive. NATIONAL MATCH DIES reduce headspace by .003" and are intended for bolt action target rifles only.

Attributes

Safety Instruction Guide for Forster Products, Inc. 22 Creedmoor Full Length Bench Rest Die Set

Introduction

Thank you for choosing the Forster Products, Inc. 22 Creedmoor Full Length Bench Rest Die Set. This guide provides essential safety information to ensure the safe use and handling of this product. Please read this guide carefully before using the die set to ensure a safe and effective reloading experience.

General Safety Guidelines

- Always follow the manufacturer's instructions and guidelines when using reloading equipment.
- Ensure that you are in a wellventilated area when reloading.
- Keep all reloading supplies, including this die set, out of reach of children and unauthorized users.
- Use personal protective equipment such as safety glasses and gloves while handling reloading materials.
- Regularly inspect your die set for any signs of damage or wear before each use.
- Report any unsafe products or accidents to the appropriate authorities immediately.
- Stay informed about product recalls and safety updates through the EU Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Identification:** The die set is designed for reloading ammunition. Improper use can lead to dangerous situations, including misfires or explosions.
- **Avoid Overloading:** Do not exceed the recommended load specifications for your ammunition.
- **Proper Handling:** Always handle the die set with care. Avoid dropping or mishandling the dies to prevent damage.
- **Storage:** Store the die set in a dry, cool place when not in use. Ensure that it is securely closed to prevent accidental access.
- **Age Restrictions:** This product is intended for use by individuals who are 18 years of age or older. Ensure that younger individuals are supervised when around the die set.

Instructions for Installation and Usage

1. Setup:

- Read the full instructions provided with the die set.
- Ensure that your reloading press is compatible with the Forster die set.
- Secure the die set in the reloading press according to the manufacturer's instructions.

2. Reloading Process:

- Begin by resizing the brass cases using the fulllength sizing die.
- Follow the specific instructions for using the Forster Bench Rest seater die to ensure proper seating of the bullets.
- Regularly check the dimensions and quality of the reloaded rounds to maintain consistency and safety.

3. PostUse Care:

- Clean the die set after each use to remove any residue or debris.
- Store the die set in its original packaging or a safe storage container to prevent damage.

Disposal Instructions

- Dispose of any damaged or wornout components of the die set in accordance with local regulations.
- Do not throw the die set in regular household waste. Instead, check for local recycling programs that accept metal components.

Contact Information for Further Support

For additional support or inquiries regarding safety or usage of the Forster Products, Inc. 22 Creedmoor Full Length Bench Rest Die Set, please refer to the contact details provided in the product packaging or visit the manufacturer's website.

By following these safety instructions and guidelines, you will ensure a safe and enjoyable reloading experience with your Forster die set. Thank you for prioritizing safety in your reloading practices.
