The Henry Lever Action is a classic Western-style lever action rifle, and one of the most popular .22's on the market today. The reason for its popularity is because it shoots great, looks great and is remarkably affordable – about half the price of the competition's rifles. This 25th anniversary edition is limited to only 5,000 pieces, with unique serial numbers ranging from 0001HENRY25 to 5000HENRY25, this rifle is a celebration of the first chapter in our twenty-five-year story: the introduction of the Henry H001, America's favorite rimfire lever action.
