

THREADED BARREL FOR SIG SAUER P320 COMPACT - TRUE PRECISION THREADED BARREL FOR SIG SAUER P320 GOLD TIN

[Handgun Parts](#) > [Barrel Parts](#) > [Barrels](#)

Fits the Sig P320 Compact, X-Carry (minor fitting may be required on some X-Carry models), and M18 (will not fit the X-Compact). Easy to install drop-in design. Threaded barrel length is 4.64" from breechface to muzzle (without thread protector attached). Retains Loaded Chamber Indicator cut for M18 to allow interchangeability among P320 variants. Advanced proprietary broach cut design specifically engineered for increased accuracy potential. Broach cut 6 groove rifling allows for all ammo types to be used safely, including cast lead. 100% Designed and manufactured in the USA with USA sourced certified 416R Stainless Steel. 9mm 1/10RH twist rifling. Special 11 degree competition style target crown for non-threaded versions or 1/2x28 threads with included thread protector on threaded versions. Threaded versions include Viton high heat integral O-ring lock thread protector. SAAMI spec chamber. Improved overall fit from OEM with added chamfers, improved radius cuts, and other additions for a better than OEM barrel. Assorted specialty coatings and finishes to choose from. Light fitting may be required for some X-Carry models.

Safety Instruction Guide for THREADED BARREL FOR SIG SAUER P320 COMPACT

Introduction

Thank you for choosing the True Precision Threaded Barrel for your Sig Sauer P320 Compact. This guide provides essential safety information, installation instructions, and usage precautions to ensure a safe and effective experience with your product. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that the product is used only as intended and in accordance with the manufacturer's instructions.
- Always handle firearms and firearm accessories responsibly and with care.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the barrel for any signs of wear or damage before use.
- Do not use the barrel with ammunition that is not compatible with the specified caliber (9 mm Luger).
- Always follow local laws and regulations regarding firearm modifications and usage.

Specific Safety Precautions for Use

- Use only with Sig Sauer P320 Compact, XCarry (minor fitting may be required), and M18 models. Do not attempt to use with XCompact.
- Ensure that the firearm is unloaded before installation or maintenance.
- Use protective eyewear when installing or using the threaded barrel.
- Be aware of the potential for increased accuracy and adjust your shooting practices accordingly.
- If you experience any malfunctions or unusual behavior, discontinue use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation

- Ensure that the firearm is completely unloaded.
- Gather necessary tools for installation, including a torque wrench if required.

2. Installation Steps

- Remove the existing barrel from your Sig Sauer P320 Compact following the manufacturer's instructions.
- Carefully insert the True Precision Threaded Barrel into the slide, ensuring proper alignment.
- If fitting is required for XCarry models, consult a qualified gunsmith for assistance.
- Secure the barrel in place, ensuring it is properly seated.
- If applicable, attach the thread protector to protect the threads when not in use.

3. Usage

- Load the firearm with compatible 9 mm Luger ammunition.
- Follow standard safety practices while shooting.
- Regularly check the fit and function of the barrel during and after use.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the product is no longer in use or is damaged, consult local guidelines for proper disposal of firearm accessories.
- Do not dispose of the product in household waste.

Contact Information for Further Support

For safety inquiries or to report concerns regarding this product, please reach out to the appropriate authorities or consult your local firearms expert.

This safety instruction guide is designed to help you use the True Precision Threaded Barrel for Sig Sauer P320 Compact safely and effectively. Always prioritize safety and compliance with local laws when using firearms and accessories.
