## Safety Instructions

### Introduction

Thank you for choosing the AXIOM SLIDE WITH RMR CUT FOR SIG SAUER P320. This product is designed for use with the Sig P320 standard Compact, XCarry, and M18 pistols. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

### General Safety Guidelines

- Ensure that the slide is compatible with your firearm model before installation.
- Always handle firearms with care and in accordance with local laws and regulations.
- Keep the slide and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the slide for any signs of damage or wear.
- Do not use the slide if it appears to be damaged or if any components are missing.
- Follow all safety protocols when handling firearms, including wearing appropriate protective gear.
- Report any unsafe products or incidents to the relevant authorities.

### Specific Safety Precautions for Use

- This slide is not compatible with the XCompact pistol. Ensure you are using it with compatible models only.
- Do not attempt to modify or alter the slide in any way, as this may compromise safety and performance.
- Ensure that the slide is properly secured before using the firearm.
- Use only the recommended optics and mounting hardware to avoid compatibility issues.
- Be aware of the attractive window cuts and aggressive features; handle the slide with care to avoid injury.

### Instructions for Installation and Usage

#### 1. Preparation

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, including the correct screws for mounting optics.

#### 2. Installation

- Remove the existing slide from your Sig P320 firearm according to the manufacturer's instructions.
- Align the AXIOM SLIDE with the frame of the firearm.
- Secure the slide in place using the recommended screws. Ensure they are tightened to the manufacturer's specifications.
- Install the anodized optic cover plate if you are not using optics.

#### 3. Usage

- After installation, perform a function check to ensure proper operation.
- Always follow safe firearm handling practices when using the firearm equipped with the new slide.
- If using optics, ensure they are properly mounted and zeroed before use.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or further support regarding the AXIOM SLIDE WITH RMR CUT FOR SIG SAUER P320, please consult the manufacturer or authorized dealers. It is important to have access to reliable information to ensure safe use and maintenance of your product.

## **Conclusion**

By following these safety instructions, you can ensure a safe and enjoyable experience with your AXIOM SLIDE WITH RMR CUT FOR SIG SAUER P320. Always prioritize safety and be aware of your surroundings when handling firearms. Thank you for your attention to these important guidelines.
