

M4E1 ASSEMBLED UPPER RECEIVER THREADED 5.56MM FDE - AERO PRECISION M4E1 5.56 NATO ASSEMBLED UPPER RCVR THREADED W/M16 CUT ODG

[Rifle Parts](#) > [Receiver Parts](#) > [Receivers](#) > [Upper Receivers](#)

The M4E1 Threaded Upper Receiver features a new angular machined design that helps it stand apart from standard mil-spec upper receivers. This upper receiver features the same enhanced body profile as our M4E1 Enhanced Upper Receiver but is threaded to accept a standard AR15 barrel nut. It is forged from 7075-T6 Aluminum, precision machined to work with all mil-spec AR15 parts and includes the port door and forward assist pre-installed. The M4E1 Threaded Upper Receiver is designed to pair perfectly with our new M4E1 Lower Receiver giving you a billet looking receiver set at a fraction of the billet price. New enhanced forging that gives the upper receiver a ""billet look"" New picatinny profile that blends seamlessly with Aero Precision's Enhanced and ATLAS Series Handguards M4 Feedramps .250 takedown pin holes Includes threaded forward assist roll pin Includes port door and forward assist M4E1 Threaded Upper Receiver in Magpul, FDE Cerakote Port Door and Forward Assist installed

M4E1 ASSEMBLED UPPER RECEIVER THREADED 5.56MM FDE AERO PRECISION Safety Instruction Guide

Introduction

Thank you for choosing the M4E1 Threaded Upper Receiver from Aero Precision. This guide provides essential safety instructions and guidelines to ensure the safe use and handling of your product. Please read this document carefully before installation and usage.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow local laws and regulations regarding firearm accessories.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the upper receiver for any signs of damage or wear.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Do not attempt to modify or alter the upper receiver in any way.
- Ensure that the upper receiver is properly mounted to the lower receiver before use.
- Always use appropriate safety gear while handling firearms, including eye and ear protection.
- Be aware of your surroundings and ensure a safe environment while using the firearm.
- Do not use the product if it shows signs of damage or malfunction.

Instructions for Installation and Usage

1. Installation

- Ensure that you have the necessary tools for installation, including a torque wrench and appropriate screwdrivers.
- Align the M4E1 Threaded Upper Receiver with the M4E1 Lower Receiver.
- Secure the upper receiver to the lower receiver using the provided takedown pins.
- Tighten the barrel nut according to the manufacturer's specifications.

2. Usage

- Before firing, ensure that the firearm is unloaded and that the chamber is clear.
- Follow all standard operating procedures for the safe handling of firearms.
- Use only compatible AR15 barrels with the upper receiver.
- After use, clean and maintain the upper receiver according to the manufacturer's recommendations.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact your local waste management facility for proper disposal methods for firearm accessories.

Contact Information for Further Support

For any safety inquiries or concerns regarding the M4E1 Threaded Upper Receiver, please refer to the contact information provided by the manufacturer or retailer where the product was purchased.

Thank you for taking the time to read this safety instruction guide. Your safety is our priority.
