

# M4E1 ASSEMBLED UPPER RECEIVER THREADED 5.56MM FDE - AERO PRECISION M4E1 5.56 NATO ASSEMBLED UPPER RCVR THREADED W/M16 CUT BROWN

[Rifle Parts](#) > [Receiver Parts](#) > [Receivers](#) > [Upper Receivers](#)

The M4E1 Threaded Upper Receiver features a new angular machined design that helps it stand apart from standard mil-spec upper receivers. This upper receiver features the same enhanced body profile as our M4E1 Enhanced Upper Receiver but is threaded to accept a standard AR15 barrel nut. It is forged from 7075-T6 Aluminum, precision machined to work with all mil-spec AR15 parts and includes the port door and forward assist pre-installed. The M4E1 Threaded Upper Receiver is designed to pair perfectly with our new M4E1 Lower Receiver giving you a billet looking receiver set at a fraction of the billet price. New enhanced forging that gives the upper receiver a ""billet look"" New picatinny profile that blends seamlessly with Aero Precision's Enhanced and ATLAS Series Handguards M4 Feedramps .250 takedown pin holes Includes threaded forward assist roll pin Includes port door and forward assist M4E1 Threaded Upper Receiver in Magpul, FDE Cerakote Port Door and Forward Assist installed

# M4E1 ASSEMBLED UPPER RECEIVER SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the M4E1 Threaded Upper Receiver. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always handle firearms and firearm components with care.
- Keep the product out of reach of children and unauthorized users.
- Inspect the product for any visible damage before use.
- Follow all local laws and regulations regarding firearms and firearm components.
- Report any unsafe products or incidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before installation or maintenance.
- Use protective eyewear when handling the upper receiver and during installation.
- Be aware of your surroundings when using the firearm to prevent accidents.
- Do not modify the upper receiver in any way that could compromise its safety.
- Ensure that any tools used for installation are in good condition and appropriate for the task.
- Be cautious of any sharp edges or components during handling.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools for installation, including appropriate wrenches and screwdrivers.
- Ensure you are in a clean, welllit workspace free from distractions.

### 2. Installation

- Align the M4E1 Threaded Upper Receiver with the lower receiver.
- Secure the upper receiver to the lower receiver using the appropriate takedown pins.
- Ensure that the threaded barrel nut is properly installed and tightened according to manufacturer specifications.
- Install the port door and forward assist if not preinstalled.

### 3. Usage

- Always verify that the firearm is unloaded before handling.
- Ensure that the upper receiver is securely attached to the lower receiver before firing.
- Use only compatible AR15 parts and accessories with the M4E1 Threaded Upper Receiver.
- Regularly clean and maintain the upper receiver to ensure optimal performance and safety.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations for electronic and metal waste.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer functional, consult local authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the M4E1 Threaded Upper Receiver, please consult the manufacturer's website or your point of purchase for further assistance.

Thank you for prioritizing safety in your use of the M4E1 Threaded Upper Receiver. Your adherence to these guidelines helps ensure a safe and enjoyable experience.
