Safety Instruction Guide for M4E1T 300 BLACKOUT COMPLETE UPPERS

Introduction

Thank you for choosing the M4E1T 300 BLACKOUT COMPLETE UPPERS by Aero Precision. This product is designed to enhance your shooting experience while ensuring safety and compliance with EU regulations. This guide provides essential safety instructions, installation guidelines, and disposal instructions to help you use this product responsibly.

General Safety Guidelines

- Always treat this product as if it is loaded. Handle with care and ensure it is pointed in a safe direction at all times.
- Ensure that you are of legal age and have the proper training to handle firearms and related components.
- Keep the product out of reach of children and unauthorized users.
- Always wear appropriate safety gear, including eye and ear protection, when using this product.
- Regularly inspect the product for any signs of damage or wear before use. Do not use if damaged.
- Follow all local laws and regulations regarding the use and ownership of firearms and firearm components.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the product is compatible with your existing firearm before installation.
- Do not attempt to modify or alter the product in any way, as this may compromise safety and performance.
- Use only compatible ammunition as specified for the .300 Blackout caliber.
- Be aware of your surroundings and ensure a safe shooting environment.
- Always keep your finger off the trigger until you are ready to shoot.
- Ensure that the muzzle brake is properly installed and not obstructed before use.
- Do not exceed the manufacturer's specifications for barrel length and gas system length.
- Always follow the manufacturer's guidelines for cleaning and maintenance to ensure safety and longevity of the product.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove the existing upper receiver by pushing out the takedown pins.
- Align the M4E1 Threaded Assembled Upper Receiver with the lower receiver.
- Push the takedown pins back into place to secure the upper receiver.
- Ensure that the ATLAS RONE Handguard is properly attached and tightened according to the manufacturer's specifications.
- Verify that the muzzle brake is securely attached.

2. Usage:

- Load the firearm with compatible .300 Blackout ammunition.
- Perform a function check to ensure that the firearm operates correctly.
- When ready to shoot, adopt a stable shooting position and ensure a clear line of sight.
- Follow all safety protocols while firing, including being aware of your target and what lies beyond.

it.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding firearms and firearm components.
- Do not dispose of the product in regular household waste.
- Contact local authorities or waste management facilities for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product performance, please refer to the manufacturer's contact details provided with your product packaging or on the official website.

By following these safety guidelines, you can ensure a safer experience with your M4E1T 300 BLACKOUT COMPLETE UPPERS. Always prioritize safety and responsible usage. Thank you for your attention to these important instructions.
