Safety Instruction Guide for M4E1T 300 BLACKOUT COMPLETE UPPERS

Introduction

Thank you for choosing the M4E1T 300 BLACKOUT COMPLETE UPPERS by Aero Precision. This product is designed for use in firearms and requires careful handling and adherence to safety guidelines. This document provides essential safety instructions, precautions, and guidelines to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that you read and understand all instructions before using the product.
- Always treat firearms and their components as if they are loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the product in a secure location, away from children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before use.
- Do not modify the product in any way that may compromise safety.
- Follow all local laws and regulations regarding firearm ownership and usage.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using the firearm.
- Ensure the firearm is unloaded before performing any maintenance or installation.
- Use only compatible parts and accessories with the M4E1T upper receiver.
- Be aware of your surroundings and ensure that your shooting area is clear of people and obstructions.
- Do not use the product if you are under the influence of drugs or alcohol.
- Be cautious when handling ammunition; ensure it is the correct caliber for your firearm.
- If you experience any malfunctions during use, cease operation immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Installation of the Upper Receiver

- Ensure the lower receiver is clean and free of debris.
- Align the M4E1 Threaded Assembled Upper Receiver with the lower receiver.
- Insert the takedown pins to secure the upper receiver in place.
- Confirm that the upper and lower receivers are properly seated and locked.

2. Installation of the Handguard

- Select the desired ATLAS RONE Handguard.
- Follow the manufacturer's instructions for attaching the handguard to the upper receiver.
- Ensure all screws and attachments are tightened to the recommended torque specifications.

3. Barrel and Gas Block Installation

- Ensure the barrel is properly aligned with the upper receiver.
- Install the lowprofile gas block according to the manufacturer's guidelines.
- Check that the gas block is securely fastened and does not obstruct any gas ports.

4. General Usage

- Load the firearm only when you are ready to shoot.
- Follow standard operating procedures for loading and unloading your firearm.
- Always keep your finger off the trigger until you are ready to fire.
- Be mindful of the muzzle direction at all times.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Firearms and their components should not be discarded in regular waste. Instead, contact a licensed firearms dealer or local authorities for proper disposal methods.
- Ensure that all hazardous materials, such as ammunition, are disposed of safely and responsibly.

Contact Information for Further Support

For any inquiries or concerns regarding the M4E1T 300 BLACKOUT COMPLETE UPPERS, please refer to the contact information provided by your retailer or manufacturer. Ensure that you have the product details available for more efficient assistance.

Conclusion

By following these safety instructions and guidelines, you can enjoy the use of your M4E1T 300 BLACKOUT COMPLETE UPPERS while ensuring the safety of yourself and others. Always prioritize safety and compliance with local laws when handling firearms. Thank you for choosing Aero Precision.
