Safety Instruction Guide for M4E1T 300 BLACKOUT COMPLETE UPPERS

Introduction

Thank you for your purchase of the M4E1T 300 BLACKOUT COMPLETE UPPERS from Aero Precision. This guide provides essential safety information and instructions for the proper use, installation, and disposal of your product. Please read this guide carefully to ensure safe operation and to maximize the performance of your upper receiver.

General Safety Guidelines

- Ensure that all users are familiar with firearm safety and handling practices.
- Always treat the upper receiver as if it is loaded, even when it is not.
- Store the upper receiver in a secure location, out of reach of children and unauthorized users.
- Inspect the upper receiver and all components for damage or wear before each use.
- Use only compatible parts and accessories with your upper receiver to avoid malfunctions.
- Follow all local laws and regulations regarding firearms and ammunition.

Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):** Always wear appropriate PPE, including safety glasses and hearing protection, when using your firearm.
- **Handling:** Never point the upper receiver at anything you do not intend to shoot. Always keep your finger off the trigger until you are ready to fire.
- **Ammunition:** Use only .300 AAC Blackout ammunition that meets industry standards. Do not use damaged or reloaded ammunition.
- **Environment:** Ensure that you are in a safe environment for shooting, away from people and property that could be harmed.
- **Maintenance:** Regularly clean and maintain your upper receiver according to the manufacturer's instructions to ensure optimal performance.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and the safety is engaged before starting the installation.
- Remove the existing upper receiver from your lower receiver by pushing out the takedown pins.
- Align the M4E1 Threaded Assembled Upper Receiver with the lower receiver and insert the takedown pins.
- Ensure that the upper receiver is securely attached before proceeding.

2. Usage:

- After installation, perform a function check to ensure the upper receiver is operating correctly.
- Load the firearm with .300 AAC Blackout ammunition only.
- Fire the firearm in a controlled and safe manner, adhering to all shooting range rules and regulations.

3. PostUsage:

- After use, clean the upper receiver according to the manufacturer's maintenance guidelines.
- Store the upper receiver securely and ensure it is unloaded.

Disposal Instructions

- Dispose of any unused ammunition and firearm components in accordance with local laws and regulations.
- If you need to dispose of the upper receiver, contact your local waste management authority for proper disposal methods.
- Do not dispose of firearms or firearm components in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the M4E1T 300 BLACKOUT COMPLETE UPPERS, please refer to the manufacturer's website or customer support resources for assistance.

Important Reminders

- Always prioritize safety when handling and using firearms.
- Stay informed about any recalls or safety notices related to your product by checking the EU's Safety Gate platform.
- Report any unsafe products or incidents to the appropriate authorities to help ensure the safety of all consumers.

By following these guidelines, you can help ensure a safe and enjoyable experience with your Aero Precision M4E1T 300 BLACKOUT COMPLETE UPPERS. Thank you for choosing Aero Precision.
