M4E1T 300 BLACKOUT COMPLETE UPPERS AERO PRECISION Safety Instruction Guide

Introduction

Thank you for choosing the M4E1T 300 BLACKOUT COMPLETE UPPERS from Aero Precision. This safety instruction guide aims to ensure the safe use of your product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product to understand the safety precautions, installation instructions, and disposal methods.

General Safety Guidelines

- Ensure that the product is used strictly for its intended purpose.
- Always follow local laws and regulations regarding firearm accessories.
- Keep the product out of reach of children and unauthorized users.
- Inspect the product regularly for any signs of wear or damage.
- Report any unsafe conditions or incidents to local authorities.
- Stay informed about product recalls and safety updates through the EU Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when handling the upper receiver.
- Do not use the product if it is damaged or appears to be defective.
- Ensure that the firearm is unloaded before installing or handling the upper receiver.
- Avoid using excessive force when attaching or detaching components.
- Be aware of the potential hazards associated with the use of firearms and their accessories.
- Follow all manufacturer instructions regarding the installation and use of the upper receiver and its components.

Instructions for Installation and Usage

Installation Instructions

1. Preparation:

- Ensure that the firearm is completely unloaded and pointed in a safe direction.
- Gather necessary tools for installation, including a torque wrench and appropriate screws.

2. Attach the Upper Receiver:

- Align the M4E1 Threaded Assembled Upper Receiver with the lower receiver of your firearm.
- Secure the upper receiver using the takedown pins, ensuring they are fully engaged.

3. Install the ATLAS RONE Handguard:

- Slide the ATLAS RONE Handguard over the barrel and align it with the upper receiver.
- Use the provided screws to secure the handguard in place, tightening them evenly to avoid warping.

4. Check Compatibility:

- Ensure that all components, including the barrel and gas block, are compatible with the upper receiver.
- Verify that the muzzle brake is properly installed and not pinned or welded.

5. Final Inspection:

- Conduct a thorough inspection of the assembly to ensure everything is secure.
- Test the functionality of the charging handle and other components.

Usage Instructions

- Always follow safe firearm handling practices.
- Regularly clean and maintain the upper receiver and its components to ensure optimal performance.
- Familiarize yourself with the operation of the upper receiver before use.
- Consult a qualified gunsmith for any modifications or repairs.

Disposal Instructions

- Dispose of the product in accordance with local regulations for firearm accessories.
- If the product is damaged beyond repair, ensure it is rendered inoperable before disposal.
- Recycle any metal components where possible, following local recycling guidelines.

Contact Information for Further Support

For any questions or concerns regarding the M4E1T 300 BLACKOUT COMPLETE UPPERS, please refer to the manufacturer's contact information provided with your product packaging.

Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation. Enjoy your Aero Precision product responsibly.
