

TRI-MAX CLP - REAL AVID TRI-MAX CLP AEROSOL 12OZ CAN

[Gun Cleaning & Chemicals](#) > [Oils & Lubricants](#) > [Lubricant & Protectant Oils](#)

Real Avid Tri-Max CLP is an all-in-one gun cleaning and maintenance solution that allows you to clean, lubricate and protect against rust in one step. CLP saves you time and ensures effective gun maintenance that is the preferred solution used by today's military. Tri-Max CLP advanced formula performs as an effective bore cleaner and solvent on all gun parts. It will tackle grime and burnt powder residue and will help minimize gunk build-up. Tri-Max CLP ensures long-lasting lubrication of moving parts to reduce friction and to protect from wear. It excels in extreme environments and will work reliably in heat, dust, or arctic cold. Tri-Max CLP is chemically engineered to act as a powerful inhibitor. It creates a moisture barrier to protect against the environment and prevent rust. 60-count Wipes

Safety Instruction Guide for Real Avid TriMax CLP Aerosol 12oz Can

Introduction

Thank you for choosing Real Avid TriMax CLP, an allinone gun cleaning and maintenance solution. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that all safety precautions are followed when handling and using the product.
- Keep the product out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose as described in this guide.
- Always store the product in a cool, dry place away from direct sunlight and heat sources.
- In case of emergency or adverse reactions, seek medical assistance immediately.

Specific Safety Precautions for Use

- **Flammability:** This product is flammable. Keep away from open flames, sparks, and heat sources.
- **Ventilation:** Use the product in a wellventilated area to avoid inhalation of fumes.
- **Skin Contact:** Avoid prolonged skin contact. If contact occurs, wash the affected area with soap and water.
- **Eye Contact:** In case of contact with eyes, rinse immediately with plenty of water and seek medical attention if irritation persists.
- **Inhalation:** Do not inhale vapors or mists. If experiencing dizziness or respiratory issues, move to fresh air immediately.
- **Storage:** Store in an upright position and ensure the cap is tightly closed when not in use.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction before cleaning.
- Shake the can well before use to mix the contents thoroughly.

2. Application:

- Hold the can approximately 6-12 inches away from the surface to be treated.
- Spray a small amount of TriMax CLP onto the area requiring cleaning or lubrication.
- For bore cleaning, apply directly into the bore and allow it to sit for a few minutes to dissolve fouling.

3. Cleaning:

- Wipe the treated areas with a clean cloth or patch to remove dirt, grime, and residue.
- Repeat the application if necessary for heavy fouling.

4. Lubrication:

- After cleaning, apply a light coat of TriMax CLP to moving parts to ensure proper lubrication.
- Wipe off any excess to prevent buildup.

5. PostUse:

- After use, ensure the can is stored securely and out of reach of children.

Disposal Instructions

- Do not dispose of the product in household waste.
- Please follow local regulations for the disposal of aerosol cans.
- If the can is empty, it can typically be recycled; check local recycling guidelines.
- If the can is not empty, take it to a designated hazardous waste disposal facility.

Contact Information for Further Support

For any safety inquiries or concerns regarding this product, please contact the manufacturer directly through the contact information provided on the product packaging or the official website.

By following these safety instructions, you can ensure the safe and effective use of Real Avid TriMax CLP. Thank you for your attention to these important guidelines.
