

SPUD MUNITIONS POUCH - SPIRITUS SYSTEMS SPUD MUNITIONS POUCH BLACK

[Home](#)

SPUD Munitions Pouch The SPUD pouch is built hold pretty much anything. Spiritus Systems has taken the traditional, open-top, general-purpose pouch and thoroughly re-worked it to give it a big bump in versatility. The rim of the pouch is lined with an adjustable shock cord loop to keep the contents (secure and slip free even if they are significantly smaller than the pouch itself). The top of the pouch features both hook & loop and pull tabs so you can choose between the included scrim cover or an adjustable shock cord flap. Both options are included with every SPUD pouch. The scrim cover, when pulled tight will wrap around any irregular shapes and keep the user's kit fully locked into the pouch while still maintaining full coverage. The whole system takes up two columns of MOLLE and can be mounted pretty much anywhere. It will hold anything from a single 556 magazine, all the way up to two 7.62 magazines (and a wide variety of different items as well).

SPUD MUNITIONS POUCH SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the SPUD Munitions Pouch by Spiritus Systems. This pouch is designed for versatility and secure storage of various items. To ensure your safety and the proper use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always inspect the pouch for any signs of damage before use.
- Ensure the pouch is securely mounted to prevent accidental detachment during use.
- Keep the pouch away from extreme heat sources and open flames.
- Avoid overloading the pouch beyond its intended capacity to prevent wear and potential failure.
- Do not use the pouch for any unintended purposes or with hazardous materials.
- If the pouch becomes damaged or shows signs of wear, discontinue use immediately.

Specific Safety Precautions for Use

- Use the adjustable shock cord loop to secure contents, ensuring they do not slip out during movement.
- When using the scrim cover, pull it tight to secure irregular shapes and maintain coverage.
- Avoid placing sharp or pointed objects inside the pouch that may puncture or damage it.
- Ensure that the pouch is used in accordance with its intended purpose: storage and transport of munitions and similar items.
- Keep the pouch out of reach of children and vulnerable individuals to prevent misuse.

Instructions for Installation and Usage

1. Mounting the Pouch

- Select a suitable location on your gear that allows for easy access.
- Use the MOLLE system to attach the pouch securely, ensuring it takes up two columns.
- Check that the pouch is firmly attached before loading any items.

2. Loading the Pouch

- Open the pouch using the hook & loop or pull tabs.
- Place items inside the pouch, ensuring they are securely positioned.
- Adjust the shock cord loop as necessary to keep smaller items secure.

3. Using the Scrim Cover

- If using the scrim cover, pull it over the contents of the pouch.
- Ensure the cover is tight and that it wraps securely around the items to prevent movement.

4. Care and Maintenance

- Clean the pouch with a damp cloth and mild soap as needed.
- Avoid using harsh chemicals or abrasive materials that may damage the fabric.
- Regularly check for wear and tear, and replace if necessary.

Disposal Instructions

- Dispose of the pouch in accordance with local regulations regarding textile waste.

- If the pouch is no longer usable, consider recycling the materials if possible.
- Do not dispose of the pouch in fire, as it may release harmful substances.
