

# E&E (ESCAPE & EVASION) HORIZONTAL POUCH - GREY GHOST GEAR E&E HORIZONTAL POUCH MULTICAM

[Shooting Accessories](#) > [Duty Gear](#) > [Pouches](#)

Looking to run an Escape And Evasion Pouch on your belt or on the back of your carrier? Grey Ghost Gear's Horizontal E&E Pouch might be exactly what the field doctor ordered (after they find you after 12 days in the bush clinging to your last MRE) Just like the vertical version, there are loops for chem lights; pockets for signal mirrors; clear window on the flap to carry small maps, radio frequencies, or rifle dope; this pouch can carry lots of small gear, organized so you can get it when the need arises. Inside features internal pockets, clear window on main pocket, 6 elastic loops and a small hook and loop panel. Attaches to any modular equipment with 2 short MALICE CLIPS®. Attaches to any modular equipment with 2 short MALICE CLIPS®. Available in MultiCam®, Coyote Brown and Black. Dimensions: 4.5" wide x 6" tall

# Safety Instruction Guide for E&E Horizontal Pouch by Grey Ghost Gear

## Introduction

Thank you for choosing the E&E (Escape & Evasion) Horizontal Pouch by Grey Ghost Gear. This guide provides essential safety instructions and guidelines to ensure the safe use of your pouch. Please read this document carefully to understand how to use and maintain your product safely.

## General Safety Guidelines

- Ensure that the pouch is used only for its intended purpose.
- Regularly inspect the pouch for any signs of wear or damage.
- Keep the pouch away from fire and extreme heat sources.
- Store the pouch in a dry and cool place when not in use.
- Avoid overloading the pouch beyond its capacity to maintain structural integrity.
- Be cautious when using any attachments or accessories with the pouch.

## Specific Safety Precautions for Use

- **Age Restrictions:** This product is not intended for use by children under the age of 14. Keep out of reach of younger children.
- **Chemical Exposure:** Avoid contact with harsh chemicals that may damage the material of the pouch.
- **Sharp Objects:** Be careful when placing sharp objects inside the pouch to prevent injury during handling.
- **Modular Equipment Attachment:** Ensure that the MALICE CLIPS® are securely attached to prevent accidental detachment during use.

## Instructions for Installation and Usage

### 1. Attaching the Pouch:

- Use two short MALICE CLIPS® to attach the pouch to any modular equipment.
- Ensure that the clips are fastened securely and check periodically for tightness.

### 2. Using the Pouch:

- Open the flap to access the internal pockets and clear window.
- Store small gear in the internal pockets and use the elastic loops for organization.
- Use the clear window on the flap for carrying small maps or important documents.

### 3. Maintenance:

- Clean the pouch with a damp cloth and mild soap if necessary.
- Allow the pouch to air dry completely before storing.
- Regularly check for any signs of damage or wear and replace if necessary.

## Disposal Instructions

- Dispose of the pouch in accordance with local regulations for textile and plastic waste.
- If the pouch is damaged and cannot be repaired, consider recycling the materials if possible.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding your E&E Horizontal Pouch, please contact the manufacturer directly through their official channels.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities. Enjoy using your E&E Horizontal Pouch responsibly!
