# E&E (ESCAPE & EVASION) VERTICAL POUCH SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the E&E (Escape & Evasion) Vertical Pouch by Grey Ghost Gear. This pouch is designed to provide essential storage for your escape and evasion needs. To ensure safe and effective use of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always inspect the pouch for any damage before use. Do not use if damaged.
- Ensure that all components, such as MALICE CLIPS®, are securely fastened before use.
- Store the pouch in a cool, dry place away from direct sunlight to prevent material degradation.
- Keep the pouch out of reach of children to prevent accidental use or injury.
- Be aware of your surroundings and use the pouch responsibly, especially in emergency situations.

## Specific Safety Precautions for Use

- Avoid overloading the pouch. Adhere to the recommended capacity to maintain its structural integrity.
- Do not use the pouch for any purpose other than its intended use as an escape and evasion tool.
- Ensure that all items stored within the pouch are secure to prevent them from falling out during use.
- Use caution when accessing items from the pouch to avoid injury from sharp objects such as signal mirrors.
- If using chemical lights, ensure they are properly secured to prevent leaks or breakage.

## Instructions for Installation and Usage

### Installation

1. **Select Attachment Points:** Choose the modular equipment where you wish to attach the pouch.
2. **Secure the MALICE CLIPS®:**
  - Take the two short MALICE CLIPS® provided.
  - Insert the clips through the designated slots on the pouch.
  - Thread the clips through the modular equipment and pull tight to secure.
3. **Check Stability:** Ensure the pouch is firmly attached and does not move or shift.

### Usage

1. **Accessing the Pouch:**
  - Open the flap of the pouch to access the contents.
  - Use the clear window to view any maps or rifle dope without removing them.
2. **Storing Items:**
  - Utilize the five internal pockets for organization.
  - Place items in the clear window or pockets based on your needs.
  - Use the elastic loops for securing smaller items.
3. **Closing the Pouch:**
  - Ensure all items are properly stored before closing the flap.
  - Secure the flap using the hook and loop panel to prevent accidental opening.

## Disposal Instructions

- Dispose of the pouch in accordance with local waste disposal regulations.

- If the pouch is damaged beyond repair, consider recycling any components made from recyclable materials.
- Do not burn the pouch, as it may release harmful substances.

## **Contact Information for Further Support**

For any inquiries regarding safety or product issues, please refer to the contact information provided on the packaging or the manufacturer's website.

By following these safety instructions, you can ensure the proper use and longevity of your E&E Vertical Pouch. Thank you for your attention to safety, and we hope you enjoy your product!
