

SLIM MEDICAL POUCH - GREY GHOST GEAR SLIM MEDICAL POUCH MULTICAM

[Shooting Accessories](#) > [Duty Gear](#) > [Pouches](#)

This pouch is a game changer, no doubts about it. Grey Ghost Gear thought of everything that their medical professionals need to keep people alive, and have devised one of – if not THE best – medically minded pouches on the market. Their Slim Medical Pouch is designed to take up only two modular webbing channels on your vest or other MOLLE compatible platform. As its name states, it has a slim profile and is specifically designed to carry your most important trauma supplies. Dual zippers running the full length of the pouch, combined with a large pull tab, allow quick access to the contents inside the pouch. On the inside is plenty of room for essential trauma items as well as a flat pocket and elastic bands to secure various items. A bungee retainer system on the front of the pouch can secure a tourniquet and two rows of modular webbing on either side can hold a pair of trauma shears or other important items. The pouch is constructed of 500D Cordura® Nylon and attaches to any MOLLE/PALS style webbing with the two included MALICE® Clips. This pouch was designed to carry the following items, but is capable of storing a variety of other items just as well: H&H compressed Gauze x2 Quickclot Combat Gauze 6" Israeli Compression Bandage 28 FR NPA Decompression Needle 1 pair of Nitrile Gloves HALO Chest Seal x2 CAT Tourniquet x2 Trauma Sheers Please Note: Medical supplies listed are not included with purchase. Dimensions: 5" tall x 4" wide x 2.5" deep Available in Black, Coyote Brown, Ranger Green and MultiCam®

SLIM MEDICAL POUCH SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the SLIM MEDICAL POUCH by Grey Ghost Gear. This pouch is designed to securely carry essential trauma supplies and is suitable for use in various situations. Please read this safety instruction guide thoroughly to ensure the safe use and maintenance of your product.

General Safety Guidelines

- Ensure that the pouch is used only for its intended purpose: carrying medical supplies.
- Regularly inspect the pouch for any signs of wear or damage. Do not use if damaged.
- Keep the pouch out of reach of children and vulnerable individuals to prevent misuse.
- Always store the pouch in a cool, dry place away from direct sunlight.
- Familiarize yourself with the contents of the pouch and their proper use before an emergency situation arises.
- Report any unsafe conditions or incidents related to the pouch to the appropriate authorities.

Specific Safety Precautions for Use

- Do not overload the pouch beyond its capacity, as this may compromise its integrity and functionality.
- Ensure that all items stored in the pouch are securely fastened to prevent movement during transport.
- Use the dual zippers and pull tab carefully to avoid injury or damage to the pouch.
- When using medical supplies stored within the pouch, follow the manufacturer's instructions for each item.
- If you are not trained in first aid or emergency response, seek professional training before using the pouch in a medical emergency.

Instructions for Installation and Usage

1. Installation on MOLLE/PALS Platform:

- Locate the two modular webbing channels on your vest or MOLLE-compatible platform.
- Attach the pouch using the included MALICE® Clips, ensuring a secure fit.
- Doublecheck that the pouch is firmly attached before use.

2. Using the Pouch:

- Open the pouch using the dual zippers, ensuring the pull tab is easily accessible.
- Remove necessary medical supplies as needed, ensuring you understand how to use each item.
- After use, return supplies to the pouch and zip it securely.

3. Maintenance:

- Clean the pouch with a damp cloth and mild detergent as needed.
- Avoid using harsh chemicals or bleach, as this may damage the fabric.
- Store the pouch in a dry environment to prevent mold or mildew.

Disposal Instructions

- When the pouch reaches the end of its life or is no longer usable, dispose of it in accordance with local regulations.

- If the pouch contains any medical supplies that are expired or damaged, dispose of these items according to your local hazardous waste guidelines.
