

SAVAGE 110 PRE-FIT CARBON FIBER 7 PRC RIFLE BARRELS - PROOF RESEARCH SAVAGE PRE-FIT 7 PRC 22" 1-8 TWT STRAIGHT TAPER CARBON FIBER

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

Carbon fiber has long been hailed across many industries—aerospace, cycling, alternative energy—as a wonder material making everything lighter and stronger. When employed in a rifle barrel the benefits extend beyond reducing weight and increasing strength. Proof's patented manufacturing process begins with full-profile, match-grade 416R stainless steel barrel blanks that are made in their firearms division. These blanks are then turned down to a significantly reduced profile greatly reducing weight. This reduced contour barrel is then wrapped with high-strength, aerospace-grade carbon fiber impregnated with a proprietary matrix resin developed by our advanced composites division, PROOF Research ACD. The carbon fibers we use have a unique ability to diffuse heat along the length of the barrel (much like fiber optics transmit light). Carbon fiber also moves heat very effectively through the wall (thickness) of the barrel greatly increasing heat transport resulting in barrels that cool faster, maintain accuracy over longer sessions of fire, and live longer. The end result is an aerospace-grade, high-fiber content composite barrel that is stronger, lighter, as accurate as the finest precision steel barrel, and durable to perform in the most demanding environments. They're not just lighter—they're better.

Attributes

- Name: [PROOF RESEARCH SAVAGE PRE-FIT 7 PRC 22" 1-8 TWT STRAIGHT TAPER CARBON FIBER](#)
- Manufacturer: [PROOF RESEARCH](#)
- Product no.: 430105108
- Mfr. No.: 136607
- Barrel Weight: 3 lbs
- Cartridge: 7mm PRC
- Contour: Straight
- Finish: Carbon Fiber
- Length: 22"
- Model: 110
- Muzzle Threads: 5/8-24
- Twist: 1-8
- Weapon type: Savage Arms
- Delivery weight: 1.588kg
- Shipping height: 102mm
- Shipping width: 102mm
- Shipping length: 762mm
- UPC: 843068136607

Item details

Made in USA

US export classification: 0A501.c

Safety Instruction Guide for SAVAGE 110 PREFIT CARBON FIBER 7 PRC RIFLE BARRELS

Introduction

Thank you for choosing the SAVAGE 110 PREFIT CARBON FIBER 7 PRC RIFLE BARRELS from PROOF RESEARCH. This guide provides essential safety information and instructions to ensure the safe use and maintenance of your rifle barrel. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that all safety precautions are followed to prevent accidents and injuries.
- Always treat your firearm as if it is loaded, even if you believe it is not.
- Store the rifle barrel in a secure location, away from children and unauthorized users.
- Regularly inspect the barrel for any signs of damage or wear.
- Be aware of your surroundings and ensure a safe environment when handling firearms.
- Follow all local laws and regulations regarding firearm ownership and use.

Specific Safety Precautions for Use

- Use only approved ammunition that is compatible with the 7mm PRC cartridge.
- Do not modify or alter the barrel in any way, as this can compromise safety and performance.
- Wear appropriate eye and ear protection when firing the rifle.
- Ensure that the rifle is properly secured in a stable position before firing.
- Avoid using the rifle barrel in extreme weather conditions that may affect performance.
- Always follow the manufacturer's guidelines for installation and usage.

Instructions for Installation and Usage

1. Installation

- Ensure that you have the necessary tools and equipment for installation.
- Carefully read the installation instructions provided by the manufacturer.
- Remove the old barrel from your rifle, following all safety precautions.
- Align the new SAVAGE 110 PREFIT CARBON FIBER 7 PRC RIFLE BARREL with the rifle receiver.
- Secure the barrel in place using the appropriate fasteners, ensuring a tight fit.
- Inspect the installation for any misalignments or loose components.

2. Usage

- Before firing, ensure that the barrel is clean and free of obstructions.
- Load the rifle with the appropriate 7mm PRC ammunition.
- Check the safety mechanism to ensure it is engaged until you are ready to fire.
- When ready to shoot, disengage the safety and aim at your target.
- Fire the rifle, maintaining control and awareness of your surroundings.
- After use, clean the barrel according to the manufacturer's recommendations.

Disposal Instructions

- Dispose of the rifle barrel in accordance with local regulations and guidelines for hazardous materials.
- Do not dispose of the barrel in regular household waste.
- If the barrel is damaged or no longer usable, contact a local firearms dealer or disposal service for proper handling.

Contact Information for Further Support

For any questions or concerns regarding the SAVAGE 110 PREFIT CARBON FIBER 7 PRC RIFLE BARRELS, please refer to the manufacturer's official website or contact their customer support for assistance.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your SAVAGE 110 PREFIT CARBON FIBER 7 PRC RIFLE BARRELS. Always prioritize safety and responsibility in all firearmrelated activities.
