Safety Instruction Guide for Strike Industries MLOK ARCA Rail Adapter

Introduction

Thank you for choosing the Strike Industries MLOK ARCA Rail Adapter. This product is designed to enhance your mounting options with ARCA Swiss systems. Please read this safety instruction guide thoroughly to ensure safe and effective use of the product.

General Safety Guidelines

- Always read the product instructions and safety information before use.
- Ensure that the product is suitable for your specific application.
- Regularly inspect the product for any signs of damage or wear.
- If you notice any defects, do not use the product and contact customer support.
- Keep the product out of reach of children and vulnerable individuals.
- Follow local regulations regarding the use and disposal of the product.

Specific Safety Precautions for Use

- Ensure that the adapter is securely mounted before use to prevent accidents.
- Avoid using the adapter in extreme conditions that may compromise its integrity.
- Do not exceed the weight limit specified for the adapter.
- Use the provided Loctite® Threadlocker Blue 243® to secure screws and prevent loosening.
- Be cautious of sharp edges during installation and removal.
- When using the adapter, ensure that it does not obstruct movement or operation of other equipment.

Instructions for Installation and Usage

1. Preparation:

- Gather all components included in the package:
 - x1 Strike MLOK ARCA Rail Adapter 6.8"
 - x4 Screws
 - x4 Nuts
 - x1 Torx tool [T15]
 - x1 Loctite® Threadlocker Blue 243®

2. Installation Steps:

- Identify the MLOK slots on your handguard or chassis.
- Ensure the surface is clean and free from debris.
- Align the Strike MLOK ARCA Rail Adapter with the desired MLOK slots.
- Insert the screws through the adapter into the MLOK slots.
- Use the provided Torx tool to tighten the screws securely.
- Apply a small amount of Loctite® Threadlocker Blue 243® to the screws to prevent loosening.
- Allow the threadlocker to cure as per the manufacturer's instructions before using the adapter.

3. Usage:

- Once installed, test the stability of the adapter by applying gentle pressure.
- Mount your equipment onto the ARCA Swiss mount as needed.
- Ensure that the equipment is securely attached before use.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling where possible.

Contact Information for Further Support

For any questions or concerns regarding the product, please refer to the manufacturer's website or contact your local distributor.

Conclusion

By following these safety guidelines and instructions, you can ensure a safe and efficient experience with the Strike Industries MLOK ARCA Rail Adapter. Thank you for your attention to safety, and enjoy your product!
