# Safety Instruction Guide for Bushing Full Length Ultra Micrometer Die Set

## Introduction

Thank you for choosing the Bushing Full Length Ultra Micrometer Die Set from Forster Products, Inc. This product is designed for precision reloading of 6.5 Creedmoor cartridges. Please read this safety instruction guide carefully to ensure safe and effective use of the die set. Your safety is our priority.

## General Safety Guidelines

- Always read and understand the instructions before using the product.
- Use the die set only for its intended purpose – reloading 6.5 Creedmoor cartridges.
- Keep the product out of reach of children and unauthorized users.
- Inspect the die set for any signs of damage before use. Do not use if damaged.
- Follow all local regulations regarding the use and storage of reloading equipment and ammunition.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when handling reloading equipment.
- Ensure that your workspace is clean, dry, and welllit to avoid accidents.
- Do not overload the die set beyond its specified limits.
- Avoid distractions while using the die set to maintain focus and prevent accidents.
- Always follow the manufacturer's instructions for reloading to avoid misfires or other dangerous situations.
- Store the die set in a secure location when not in use to prevent unauthorized access.

## Instructions for Installation and Usage

### 1. Setup:

- Ensure your reloading press is securely mounted on a stable surface.
- Unpack the Bushing Full Length Die and Ultra Micrometer Seater Die from the Deluxe Die Box.
- Check that all components are included and undamaged.

### 2. Installation:

- Install the FullLength Bushing Die into your reloading press according to the manufacturer's instructions.
- Adjust the die to the desired position for resizing the cartridge cases.
- Install the Ultra Micrometer Seater Die in the same manner, ensuring it is set to the correct seating depth.

### 3. Usage:

- Follow the reloading process stepbystep:
  - Resize the cartridge cases using the FullLength Bushing Die.
  - Measure the resized cases for consistency.
  - Use the Ultra Micrometer Seater Die to seat the bullets to the desired depth.
- Regularly check your work for consistency and quality.

#### **4. PostUsage Care:**

- Clean the dies after each use to maintain performance.
- Store the dies in their Deluxe Die Box to protect them from damage.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the die set becomes unusable or damaged beyond repair, contact your local waste management authority for proper disposal methods.

## **Contact Information for Further Support**

For inquiries regarding safety or productrelated questions, please reach out to your local Forster Products, Inc. representative or visit our website for more information.

By following these safety guidelines and instructions, you can ensure a safe and effective reloading experience with your Bushing Full Length Ultra Micrometer Die Set. Thank you for your attention to safety.
