

GUARDIAN OPTIC GUARD AND STEALTH BACK-UP IRON SIGHTS COMBO - RADIAN WEAPONS GUARDIAN/STEALTH IRONS COMBO - TRIJICON RMR - GLOCK MOS

[Handgun Parts](#) > [Sights](#) > [Sight Parts](#) > [Sight Plates](#)

The Radian GUARDIAN Optic Mounting System provides unprecedented protection for your pistol red dot optic. Machined from 7075 aluminum & hard anodized, the design provides top/ front/side impact protection. Optional back-up sights, provide an unobstructed, irons forward sight picture. Their STUD-LOK™ threaded stud/nut mounting interface is the most secure system on the market. This provides much longer thread engagement, greater hold down power, with increased shear resistance. TRU-SEAL™ eliminates the need for an added sealing plate. Pre-installed O-rings on the mounting screws hold the plate watertight to the slide, sealing out moisture, eliminating corrosion in the mounting threads.

Safety Instruction Guide for GUARDIAN Optic Guard and Stealth BackUp Iron Sights Combo

Introduction

Thank you for choosing the GUARDIAN Optic Guard and Stealth BackUp Iron Sights Combo by Radian Weapons. This guide provides essential safety instructions to ensure the safe usage and installation of your product while complying with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before use.

General Safety Guidelines

- Ensure the product is suitable for your firearm model (Glock MOS).
- Always handle your firearm with care and follow all local laws and regulations regarding firearm safety.
- Inspect the product for any visible damage before installation. Do not use if damaged.
- Store the product in a dry and secure location, away from children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay updated on recall notices via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before installing or adjusting the optic mount and sights.
- Use the product only as intended. Do not modify the product in any way.
- When using the backup sights, ensure that the primary optic is securely mounted and functioning correctly.
- Avoid exposing the product to extreme temperatures, moisture, or corrosive environments to maintain its integrity.
- If you experience any issues with the product, cease use immediately and seek assistance.

Instructions for Installation and Usage

1. Installation

- Ensure your firearm is unloaded.
- Clean the mounting area on the slide to ensure a secure fit.
- Align the GUARDIAN Optic Mount with the slide and insert the STUDLOK™ threaded stud into the designated hole.
- Secure the mount using the provided nut and tighten it to the manufacturer's specifications.
- Install the backup sights by following the manufacturer's instructions included with the sights.

2. Usage

- After installation, check the alignment of the optic and backup sights.
- Ensure all screws are tightened properly before use.
- Test the sight picture in a safe environment to ensure proper functionality.
- Regularly inspect the product for wear and tear, especially after extensive use.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste and materials.
- Do not dispose of the product in regular household waste.
- Consider recycling options where available to minimize environmental impact.

Contact Information for Further Support

For further assistance, please refer to the manufacturer's website or customer service for any inquiries related to safety, installation, or product performance.

Thank you for choosing Radian Weapons. Your safety is our priority.
