# LEVER GUN MODULAR TOP RAIL SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the LEVER GUN MODULAR TOP RAIL by Midwest Industries. This guide provides important safety information and instructions to ensure the safe and effective use of your new product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure you are familiar with the operation of your lever gun before installing the modular top rail.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Inspect the product for any damage before installation. Do not use if damaged.
- Keep all components out of reach of children and unauthorized users.
- Always wear appropriate safety gear when handling firearms, including eye protection.
- Be aware of your surroundings when using your firearm to ensure the safety of yourself and others.

## Specific Safety Precautions for Use

- Only use the LEVER GUN MODULAR TOP RAIL with compatible MI MLOK™ Lever Gun Handguards, such as those from Marlin, Henry, Rossi, and Winchester.
- Do not attempt to install the rail on XRS systems or other manufacturers' products, as this may result in malfunction or injury.
- Ensure that all attachments (optics, lasers, lights) are securely mounted and tested for stability before use.
- Regularly check the tightness of the rail and attachments during use to prevent loosening.
- If you notice any unusual behavior or performance issues, cease use immediately and consult a professional.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools for installation, including a torque wrench and the proprietary locking nuts provided.
- Ensure your firearm is unloaded and pointed in a safe direction.

### 2. Installation Steps

- Locate the MLOK™ slots on your MI Lever Gun Handguard.
- Align the LEVER GUN MODULAR TOP RAIL with the MLOK™ slots.
- Insert the proprietary locking nuts into the MLOK™ slots and align them with the holes on the rail.
- Using a torque wrench, tighten the locking nuts to secure the rail in place. Follow the manufacturer's specifications for torque settings.

### 3. Usage

- Once installed, you can attach your desired optic, laser, or light to the modular top rail.
- Ensure that all attachments are firmly secured before use.
- Regularly inspect the rail and attachments during use to ensure they remain secure.

## **Disposal Instructions**

- Dispose of the LEVER GUN MODULAR TOP RAIL in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling the aluminum material where applicable.

## **Contact Information for Further Support**

For any questions or concerns regarding the LEVER GUN MODULAR TOP RAIL, please reach out to the manufacturer or authorized dealer for assistance. Ensure to keep your purchase information handy for reference.

Thank you for your attention to these safety instructions. Your safety and the safety of others is of utmost importance. Enjoy your new product responsibly!
