

SIG SAUER CROSS PRE-FIT DROPIN CARBON FIBER 308 WIN BARREL - PROOF RESEARCH SIG CROSS PRE-FIT DROP IN CARBON FIBER 308 WINCHESTER 16"BBL

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

Carbon fiber has long been hailed across many industries—aerospace, cycling, alternative energy—as a wonder material making everything lighter and stronger. When employed in a rifle barrel the benefits extend beyond reducing weight and increasing strength. The patented manufacturing process begins with full-profile, match-grade 416R stainless steel barrel blanks that are made in their firearms division. These blanks are then turned down to a significantly reduced profile greatly reducing weight. This reduced contour barrel is then wrapped with high-strength, aerospace-grade carbon fiber impregnated with a proprietary matrix resin developed by their advanced composites division, PROOF Research ACD. The carbon fibers used have a unique ability to diffuse heat along the length of the barrel (much like fiber optics transmit light). Carbon fiber also moves heat very effectively through the wall (thickness) of the barrel greatly increasing heat transport resulting in barrels that cool faster, maintain accuracy over longer sessions of fire, and live longer. The end result is an aerospace-grade, high-fiber content composite barrel that is stronger, lighter, as accurate as the finest precision steel barrel, and durable to perform in the most demanding environments. They're not just lighter—they're better.

Attributes

- Name: [PROOF RESEARCH SIG CROSS PRE-FIT DROP IN CARBON FIBER 308 WINCHESTER 16"BBL](#)
- Manufacturer: [PROOF RESEARCH](#)
- Product no.: 430106635
- Mfr. No.: 134467
- Cartridge: 308 Winchester
- Finish: Carbon Fiber
- Length: 16"
- Model: Cross
- Muzzle Threads: 5/8-24
- Twist: 1-10
- Weapon type: Sig Sauer
- Delivery weight: 1.588kg
- Shipping height: 102mm
- Shipping width: 102mm
- Shipping length: 762mm
- UPC: 843068134467

Item details

Made in USA

US export classification: 0A501.c

Safety Instruction Guide for SIG SAUER CROSS PreFit DropIn Carbon Fiber .308 Win Barrel

Introduction

Thank you for choosing the SIG SAUER CROSS PreFit DropIn Carbon Fiber .308 Win Barrel. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this guide carefully before installation and usage.

General Safety Guidelines

- **Product Safety:** Ensure that you are familiar with the safe handling and operation of firearms and associated components. This product is designed for use with rifles and should be installed by a qualified gunsmith or an experienced individual.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product. Regularly check official channels for updates.
- **Online Shopping:** If you purchased this product online, ensure that the retailer complies with safety regulations and provides accurate product information.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please refer to the manufacturer's contact information provided with your product.
- **Rapid Alerts:** Be aware of the Safety Gate system for updates on any unsafe products.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Improper installation may lead to firearm malfunction.
 - Use of incompatible components can result in dangerous situations.
 - Ensure that the barrel is not damaged before installation.
- **Avoiding Hazards:**
 - Always follow the manufacturer's installation instructions.
 - Inspect the barrel for any signs of damage or defects before use.
 - Do not exceed the recommended specifications for your firearm.
 - Use only approved ammunition types as specified by the firearm manufacturer.
 - Always wear appropriate safety gear when handling firearms.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure that the firearm is unloaded and pointed in a safe direction.
 2. Remove the existing barrel from the rifle according to the manufacturer's guidelines.
 3. Carefully inspect the chamber and muzzle of the new barrel for any debris or damage.
 4. Align the new carbon fiber barrel with the receiver and secure it according to the firearm manufacturer's specifications.
 5. Ensure that the barrel is properly torqued to the recommended specifications.
 6. Check for proper fit and alignment before proceeding.
- **Usage:**
 - Before firing, conduct a thorough safety check of the firearm.
 - Always maintain proper shooting posture and follow all safety protocols.

- Monitor the barrel temperature during extended shooting sessions to avoid overheating.
- Clean the barrel regularly to maintain performance and ensure longevity.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods for firearms components.

Contact Information for Further Support

For any additional questions or support regarding the SIG SAUER CROSS PreFit DropIn Carbon Fiber .308 Win Barrel, please refer to the contact information provided with your product.

By following these guidelines, you can ensure a safe and enjoyable experience with your SIG SAUER CROSS PreFit DropIn Carbon Fiber .308 Win Barrel. Thank you for your attention to safety.
