

SIG SAUER CROSS PRE-FIT DROPIN CARBON FIBER 308 WIN BARREL - SIG CROSS PRE-FIT DROP IN CARBON FIBER 308 WINCHESTER 20"BBL

Carbon fiber has long been hailed across many industries—aerospace, cycling, alternative energy—as a wonder material making everything lighter and stronger. When employed in a rifle barrel the benefits extend beyond reducing weight and increasing strength. The patented manufacturing process begins with full-profile, match-grade 416R stainless steel barrel blanks that are made in their firearms division. These blanks are then turned down to a significantly reduced profile greatly reducing weight. This reduced contour barrel is then wrapped with high-strength, aerospace-grade carbon fiber impregnated with a proprietary matrix resin developed by their advanced composites division, PROOF Research ACD. The carbon fibers used have a unique ability to diffuse heat along the length of the barrel (much like fiber optics transmit light). Carbon fiber also moves heat very effectively through the wall (thickness) of the barrel greatly increasing heat transport resulting in barrels that cool faster, maintain accuracy over longer sessions of fire, and live longer. The end result is an aerospace-grade, high-fiber content composite barrel that is stronger, lighter, as accurate as the finest precision steel barrel, and durable to perform in the most demanding environments. They're not just lighter—they're better.

Attributes

- Name: SIG CROSS PRE-FIT DROP IN CARBON FIBER 308 WINCHESTER 20"BBL
- Manufacturer: PROOF RESEARCH
- Product no.: 430106637
- Mfr. No.: 134481
- Cartridge: 308 Winchester
- Finish: Carbon Fiber
- Length: 20"
- Make: Sig Sauer
- Model: Cross
- Muzzle Threads: 5/8-24
- Twist: 1-10
- Delivery weight: 1.588kg
- Shipping height: 102mm
- Shipping width: 102mm
- Shipping length: 762mm
- UPC: 843068134481

Item details

Made in USA

US export classification: 0A501.c

SIG SAUER CROSS PreFit DropIn Carbon Fiber 308 Win Barrel Safety Instructions

Introduction

Thank you for choosing the SIG SAUER CROSS PreFit DropIn Carbon Fiber 308 Win Barrel. This guide provides important safety information, installation instructions, and usage tips to ensure the safe operation of your product. Please read this document thoroughly before using the barrel.

General Safety Guidelines

- Ensure safe handling and usage of the barrel at all times.
- Always treat the barrel as if it is loaded.
- Use the barrel only with compatible firearms and ammunition.
- Store the barrel in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the barrel for any signs of wear or damage before each use.
- Follow all local laws and regulations regarding firearm use and ownership.
- Seek immediate assistance if you encounter any issues or concerns during use.

Specific Safety Precautions for Use

- **Personal Protective Equipment:** Always wear appropriate eye and ear protection when using firearms equipped with this barrel.
- **Temperature Awareness:** Be aware that the barrel may become hot during use. Allow it to cool down before handling.
- **Heat Diffusion:** Understand that carbon fiber has unique heat diffusion properties. Monitor the barrel during extended sessions of fire to maintain accuracy and performance.
- **Installation Caution:** Ensure that the barrel is installed correctly according to the provided instructions to avoid any hazards during operation.
- **Vulnerable Groups:** Keep firearms and related equipment away from children and inexperienced users.

Instructions for Installation and Usage

Installation Instructions

1. Preparation:

- Verify that the firearm is unloaded and that the chamber is clear.
- Gather required tools for installation (e.g., wrenches, screwdrivers).

2. Remove Existing Barrel:

- Follow the manufacturer's instructions to safely remove the existing barrel from the firearm.

3. Install the New Barrel:

- Align the new SIG SAUER CROSS PreFit DropIn Carbon Fiber 308 Win Barrel with the receiver.
- Securely attach the barrel using the appropriate screws or fasteners as specified in the firearm's manual.
- Ensure that the barrel is firmly in place and check for proper alignment.

4. Final Checks:

- Inspect the installation to confirm that there are no gaps or misalignments.

- Ensure that the muzzle threads are properly fitted and secure.

Usage Instructions

- Always use the barrel with compatible 308 Winchester ammunition.
- Conduct a function check before live firing to ensure proper operation.
- Monitor the barrel for signs of overheating, especially during extended firing sessions.
- Clean the barrel regularly according to the manufacturer's recommendations to maintain optimal performance.

Disposal Instructions

- Dispose of the barrel in accordance with local regulations for hazardous materials.
- If the barrel is damaged or no longer functional, do not attempt to repair it. Dispose of it safely to prevent any potential hazards.

Contact Information for Further Support

For any questions or concerns regarding the SIG SAUER CROSS PreFit DropIn Carbon Fiber 308 Win Barrel, please consult the manufacturer's website or contact an authorized dealer for assistance. Always ensure that you have access to support for any safety inquiries.

By following these guidelines and instructions, you can help ensure the safe and effective use of your SIG SAUER CROSS PreFit DropIn Carbon Fiber 308 Win Barrel. Thank you for prioritizing safety in your firearm practices.

Brukerveiledning for SIG SAUER CROSS PREFIT DROPIN CARBON FIBER 308 WIN BARREL

Introduksjon

Takk for at du valgte SIG SAUER CROSS PREFIT DROPIN CARBON FIBER 308 WIN BARREL. Dette produktet er designet for å gi utmerket ytelse og holdbarhet. For å sikre trygg og effektiv bruk, vennligst les og følg disse sikkerhetsinstruksjonene nøye.

Generelle sikkerhetsretningslinjer

- Sørg for at produktet er i god stand før bruk. Kontroller for skader eller slitasje.
- Oppbevar alltid produktet utilgjengelig for barn.
- Følg alltid lokale lover og forskrifter angående våpen og tilbehør.
- Les og forstå bruksanvisningen før bruk.
- Bruk passende beskyttelsesutstyr under installasjon og bruk.

Spesifikke sikkerhetsforholdsregler for bruk

- Unngå å bruke produktet hvis det er synlige skader.
- Kontroller at alle deler er korrekt installert før skyting.
- Unngå å bruke ammunisjon som ikke er kompatibel med .308 Winchester kaliber.
- Hold alltid løpet rettet bort fra deg og andre når du håndterer det.
- Vær oppmerksom på omgivelsene dine og unngå å skyte i retning av mennesker eller dyr.
- Ved eventuelle problemer under bruk, stopp umiddelbart og søk hjelp.

Instruksjoner for installasjon og bruk

1. Forberedelse:

- Sørg for at våpenet er sikkert og avfyrt.
- Fjern den gamle løpet forsiktig fra våpenet.

2. Installasjon av karbonfiber løpet:

- Plasser den nye løpet på våpenet i henhold til produsentens spesifikasjoner.
- Stram til festeskruene i henhold til anbefalte spesifikasjoner for å sikre riktig montering.

3. Kontroll:

- Etter installasjonen, sjekk for å sikre at løpet sitter ordentlig og at det ikke er noen løse deler.
- Foreta en visuell inspeksjon av løpet for å sikre at det ikke er noen skader.

4. Bruk:

- Følg alle sikkerhetsprosedyrer for skyting og håndtering av våpen.
- Vær oppmerksom på omgivelsene dine og skyte alltid i et sikkert område.

Avfallsinstruksjoner

- Når løpet ikke lenger er i bruk, må det kastes i henhold til lokale forskrifter for avfallshåndtering.
- Unngå å kaste løpet sammen med vanlig husholdningsavfall.
- Kontakt lokale avfallshåndteringsmyndigheter for råd om sikker avhending.

Kontaktinformasjon for videre støtte

For ytterligere informasjon eller spørsmål angående sikkerhet og bruk av SIG SAUER CROSS PREFIT DROPIN CARBON FIBER 308 WIN BARREL, vennligst kontakt produsenten eller forhandleren der produktet ble kjøpt.

Vennligst husk at sikkerhet alltid kommer først. Følg disse retningslinjene for å sikre en trygg og effektiv opplevelse med ditt nye produkt.
