

SIG SAUER CROSS PRE-FIT DROPIN CARBON FIBER 308 WIN BARREL - PROOF RESEARCH SIG CROSS PRE-FIT DROP IN CARBON FIBER 308 WINCHESTER 20"BBL

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

Carbon fiber has long been hailed across many industries—aerospace, cycling, alternative energy—as a wonder material making everything lighter and stronger. When employed in a rifle barrel the benefits extend beyond reducing weight and increasing strength. The patented manufacturing process begins with full-profile, match-grade 416R stainless steel barrel blanks that are made in their firearms division. These blanks are then turned down to a significantly reduced profile greatly reducing weight. This reduced contour barrel is then wrapped with high-strength, aerospace-grade carbon fiber impregnated with a proprietary matrix resin developed by their advanced composites division, PROOF Research ACD. The carbon fibers used have a unique ability to diffuse heat along the length of the barrel (much like fiber optics transmit light). Carbon fiber also moves heat very effectively through the wall (thickness) of the barrel greatly increasing heat transport resulting in barrels that cool faster, maintain accuracy over longer sessions of fire, and live longer. The end result is an aerospace-grade, high-fiber content composite barrel that is stronger, lighter, as accurate as the finest precision steel barrel, and durable to perform in the most demanding environments. They're not just lighter—they're better.

Attributes

- Name: [PROOF RESEARCH SIG CROSS PRE-FIT DROP IN CARBON FIBER 308 WINCHESTER 20"BBL](#)
- Manufacturer: [PROOF RESEARCH](#)
- Product no.: 430106637
- Mfr. No.: 134481
- Cartridge: 308 Winchester
- Finish: Carbon Fiber
- Length: 20"
- Model: Cross
- Muzzle Threads: 5/8-24
- Twist: 1-10
- Weapon type: Sig Sauer
- Delivery weight: 1.588kg
- Shipping height: 102mm
- Shipping width: 102mm
- Shipping length: 762mm
- UPC: 843068134481

Item details

Made in USA

US export classification: 0A501.c

Safety Instruction Guide for SIG SAUER CROSS PREFIT DROPIN CARBON FIBER 308 WIN BARREL

Introduction

Thank you for choosing the SIG SAUER CROSS PREFIT DROPIN CARBON FIBER 308 WIN BARREL. This guide provides essential safety information and instructions to ensure the safe use and maintenance of your product. Please read this guide thoroughly before using the barrel.

General Safety Guidelines

- Ensure safe use of the barrel by following all instructions.
- Be aware that the barrel is designed for use with the SIG Sauer Cross rifle and is not compatible with other firearms.
- Always handle firearms and accessories with care and respect.
- Store the barrel in a secure location away from children and unauthorized users.
- Regularly inspect the barrel for any signs of wear or damage before each use.
- Follow all local laws and regulations regarding the use of firearms and firearm accessories.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye and ear protection, when using firearms.
- Do not exceed the recommended cartridge specifications (308 Winchester) for this barrel.
- Ensure that the rifle is unloaded before installing or removing the barrel.
- Use only highquality ammunition from reputable manufacturers.
- Avoid using the barrel in extreme temperatures or environmental conditions that may affect performance.
- Be aware of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

1. Installation:

- Ensure the rifle is unloaded and pointed in a safe direction.
- Remove the existing barrel from the rifle according to the manufacturer's instructions.
- Align the new carbon fiber barrel with the receiver, ensuring proper fit.
- Secure the barrel using the appropriate tools, following the torque specifications provided by the manufacturer.
- Doublecheck that the barrel is firmly attached and properly aligned.

2. Usage:

- Before firing, verify that the barrel is clean and free of obstructions.
- Load the rifle with the appropriate ammunition and ensure the safety is engaged.
- When ready to fire, disengage the safety and aim at the target.
- Fire in controlled bursts to allow the barrel to cool between shots, especially during extended shooting sessions.
- After use, clean the barrel according to the manufacturer's cleaning recommendations.

Disposal Instructions

- Dispose of the barrel in accordance with local regulations.
- Do not dispose of the barrel in regular household waste.

- If the barrel is damaged or no longer usable, contact local authorities for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding your SIG SAUER CROSS PREFIT DROPIN CARBON FIBER 308 WIN BARREL, please refer to the manufacturer's official website or customer service resources for assistance.

By following these guidelines, you help ensure your safety and the safety of others while using your SIG SAUER CROSS PREFIT DROPIN CARBON FIBER 308 WIN BARREL. Thank you for your attention to these important safety instructions.
