Super Duty MOD1 Complete Upper 5.56x45 NATO The Geissele Super Duty MOD1 Upper (Complete) features the latest in weapon technology available exclusively from Geissele Automatics. This complete upper chambered in 5.56mm features a nanoweapon-coated HUXWRX Flash Hider-QD muzzle device mounted to a Manganese Phosphate coated, CHF, Chrome Lined 1-7 twist barrel. Geissele barrels are precision machined and cold hammer forged utilizing the highest quality materials at their state of the art facility in North Wales, PA. The carbine length gas tube and Geissele Super Compact Gas Block with bomb-proof installation ensures reliability and optimal performance in extreme conditions. Included is a brand new, Super Modular Rail MK16 that mates to the upper via a center aligning tab removing any chance of rail rotation. This rail is a variant of the SMR MK16, currently fielded by USASOC and renowned by operators for their performance and comfort. Also included is the Geissele Reliability Enhanced Bolt Carrier Group. This Nanoweapon coated BCG features a properly torqued and staked, chrome lined gas key. The Cam Pin is machined from advanced, medical steel known as H13 which is also coated with Nanoweapon for maximum corrosion and wear resistance. The Geissele Reliability Enhanced Bolt Carrier Group also features extended upper rails, providing greater stability and dramatically increasing feeding reliability. The Geissele Reliability Enhanced Bolt Carrier Group comes with the Geissele Stressproof Bolt. Made from Carpenter 158+, directly developed with Carpenter Steel metallurgists to create a material that is cleaner and has less impurities. This makes our Stressproof bolt stronger and more fatigue resistant. The Geissele Stressproof bolt is also forged, not machined from barstock. This allows us to optimize the grain structure of the steel to yield a bolt capable of 5 times the life of a mil-spec bolt. Each bolt is rigorously inspected, high pressure tested, mag particle inspected and Nanoweapon coated. All of these technologies and advancements combine to bring to market a true next-gen upper for the AR-15 platform. The Super Duty Complete Upper from Geissele Automatics offers unmatched performance, accuracy and reliability. Safety Instruction Guide for AR15 SUPER DUTY MOD1 5.56X45 NATO COMPLETE UPPER RECEIVER

Introduction

Thank you for choosing the Geissele AR15 Super Duty MOD1 Complete Upper Receiver. This product is designed with advanced technology to enhance your shooting experience. However, it is essential to follow safety guidelines to ensure proper use and avoid potential hazards. This guide provides comprehensive safety instructions in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Ensure the safety is engaged when not in use.
- Store the firearm and ammunition securely, out of reach of children and unauthorized users.
- Regularly inspect the upper receiver and all components for any signs of wear or damage.
- Do not modify or alter the upper receiver or any of its components.
- Be aware of your surroundings and ensure a clear shooting area.

Specific Safety Precautions for Use

- **Age Restrictions:** This product is intended for use by individuals aged 18 years and older. Ensure that younger individuals are supervised by a responsible adult.
- **Training:** Only use this product if you have received proper training in firearm safety and handling.
- **Protective Gear:** Always wear appropriate protective gear, including eye and ear protection, when using this upper receiver.
- **Environment:** Use the upper receiver in a controlled environment that complies with local laws and regulations regarding firearms.
- **Ammunition:** Use only recommended ammunition (5.56mm) that meets safety standards. Do not use damaged or defective ammunition.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded before installation.
- Align the upper receiver with the lower receiver of the AR15 platform.
- Securely attach the upper receiver using the provided pins.
- Confirm that the upper receiver is properly seated and locked in place.

2. Usage:

- Load the firearm only when you are ready to shoot.
- Always check the barrel for obstructions before firing.
- Fire in a safe and designated shooting area.
- After use, unload the firearm and clean the upper receiver and its components as per the manufacturer's recommendations.

Disposal Instructions

- Dispose of the upper receiver and any associated components in accordance with local regulations.
- Do not dispose of the upper receiver in regular household waste.

- Contact local authorities or waste management facilities for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please refer to the manufacturer's contact information provided in the product packaging or visit the official website.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your Geissele AR15 Super Duty MOD1 Complete Upper Receiver. Always prioritize safety and responsible use of firearms.
