[Rifle Parts](#) > [Receiver Parts](#) > [Receivers](#) > [Upper Receivers](#)

Super Duty MOD1 Complete Upper 5.56x45 NATO The Geissele Super Duty MOD1 Upper (Complete) features the latest in weapon technology available exclusively from Geissele Automatics. This complete upper chambered in 5.56mm features a nanoweapon-coated HUXWRX Flash Hider-QD muzzle device mounted to a Manganese Phosphate coated, CHF, Chrome Lined 1-7 twist barrel. Geissele barrels are precision machined and cold hammer forged utilizing the highest quality materials at their state of the art facility in North Wales, PA. The carbine length gas tube and Geissele Super Compact Gas Block with bomb-proof installation ensures reliability and optimal performance in extreme conditions. Included is a brand new, Super Modular Rail MK16 that mates to the upper via a center aligning tab removing any chance of rail rotation. This rail is a variant of the SMR MK16, currently fielded by USASOC and renowned by operators for their performance and comfort. Also included is the Geissele Reliability Enhanced Bolt Carrier Group. This Nanoweapon coated BCG features a properly torqued and staked, chrome lined gas key. The Cam Pin is machined from advanced, medical steel known as H13 which is also coated with Nanoweapon for maximum corrosion and wear resistance. The Geissele Reliability Enhanced Bolt Carrier Group also features extended upper rails, providing greater stability and dramatically increasing feeding reliability. The Geissele Reliability Enhanced Bolt Carrier Group comes with the Geissele Stressproof Bolt. Made from Carpenter 158+, directly developed with Carpenter Steel metallurgists to create a material that is cleaner and has less impurities. This makes our Stressproof bolt stronger and more fatigue resistant. The Geissele Stressproof bolt is also forged, not machined from barstock. This allows us to optimize the grain structure of the steel to yield a bolt capable of 5 times the life of a mil-spec bolt. Each bolt is rigorously inspected, high pressure tested, mag particle inspected and Nanoweapon coated. All of these technologies and advancements combine to bring to market a true next-gen upper for the AR-15 platform. The Super Duty Complete Upper from Geissele Automatics offers unmatched performance, accuracy and reliability. Safety Instruction Guide for AR15 SUPER DUTY MOD1 5.56X45 NATO COMPLETE UPPER RECEIVER

Introduction

Thank you for choosing the AR15 SUPER DUTY MOD1 Complete Upper Receiver from Geissele Automatics. This guide provides essential safety instructions and precautions to ensure the safe use and maintenance of your product. Please read this guide carefully before installation and usage.

General Safety Guidelines

- Ensure that all users of the product are familiar with firearm safety protocols.
- Always treat the firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the product in a secure location, away from children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage.
- Always wear appropriate safety gear when handling firearms, including eye and ear protection.
- Be aware of your surroundings and ensure you have a clear line of sight when using the firearm.

Specific Safety Precautions for Use

- Do not modify or alter any components of the upper receiver without consulting a qualified gunsmith.
- Ensure that the upper receiver is properly mounted to the lower receiver before use.
- Verify that the ammunition used is compatible with the upper receiver (5.56mm NATO).
- Do not use damaged or defective ammunition.
- Avoid using the product in wet or damp conditions to prevent corrosion and malfunction.
- Regularly clean and maintain the upper receiver in accordance with the manufacturer's recommendations.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure you have all necessary tools and safety equipment.
2. **Mounting the Upper Receiver:**
 - Align the upper receiver with the lower receiver.
 - Securely attach the upper receiver using the appropriate pins and ensure they are fully engaged.
3. **Install the Charging Handle:**
 - Insert the charging handle into the upper receiver and ensure it is seated properly.
4. **Attach Accessories:**
 - Follow the manufacturer's instructions for attaching any accessories to the rail, ensuring they are securely fastened.

Usage

1. **Loading the Firearm:**
 - Ensure the firearm is pointed in a safe direction.
 - Load the magazine with compatible ammunition and insert it into the lower receiver.
2. **Firing:**
 - Engage the safety mechanism before loading.
 - When ready to fire, disengage the safety and aim carefully.
 - Pull the trigger gently to fire.
3. **Clearing the Firearm:**

- After use, ensure the firearm is unloaded by removing the magazine and visually inspecting the chamber.

Disposal Instructions

- Dispose of the upper receiver and any associated components in accordance with local regulations.
- Do not dispose of firearms or firearm components in regular household waste.
- Contact local authorities or licensed disposal facilities for guidance on safe disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the AR15 SUPER DUTY MOD1 Complete Upper Receiver, please contact your local Geissele Automatics representative or visit the manufacturer's website.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your AR15 SUPER DUTY MOD1 Complete Upper Receiver. Always prioritize safety and responsibility when handling firearms.
