

AR-15 SUPER DUTY MOD1 5.56X45 NATO COMPLETE UPPER RECEIVER - GEISSELE AUTOMATICS AR-15 SUPER DUTY MOD1 5.56X45 16" BBL COMPLETE UPPER BLACK

[Rifle Parts](#) > [Receiver Parts](#) > [Receivers](#) > [Upper Receivers](#)

Super Duty MOD1 Complete Upper 5.56x45 NATO The Geissele Super Duty MOD1 Upper (Complete) features the latest in weapon technology available exclusively from Geissele Automatics. This complete upper chambered in 5.56mm features a nanoweapon-coated HUXWRX Flash Hider-QD muzzle device mounted to a Manganese Phosphate coated, CHF, Chrome Lined 1-7 twist barrel. Geissele barrels are precision machined and cold hammer forged utilizing the highest quality materials at their state of the art facility in North Wales, PA. The carbine length gas tube and Geissele Super Compact Gas Block with bomb-proof installation ensures reliability and optimal performance in extreme conditions. Included is a brand new, Super Modular Rail MK16 that mates to the upper via a center aligning tab removing any chance of rail rotation. This rail is a variant of the SMR MK16, currently fielded by USASOC and renowned by operators for their performance and comfort. Also included is the Geissele Reliability Enhanced Bolt Carrier Group. This Nanoweapon coated BCG features a properly torqued and staked, chrome lined gas key. The Cam Pin is machined from advanced, medical steel known as H13 which is also coated with Nanoweapon for maximum corrosion and wear resistance. The Geissele Reliability Enhanced Bolt Carrier Group also features extended upper rails, providing greater stability and dramatically increasing feeding reliability. The Geissele Reliability Enhanced Bolt Carrier Group comes with the Geissele Stressproof Bolt. Made from Carpenter 158+, directly developed with Carpenter Steel metallurgists to create a material that is cleaner and has less impurities. This makes our Stressproof bolt stronger and more fatigue resistant. The Geissele Stressproof bolt is also forged, not machined from barstock. This allows us to optimize the grain structure of the steel to yield a bolt capable of 5 times the life of a mil-spec bolt. Each bolt is rigorously inspected, high pressure tested, mag particle inspected and Nanoweapon coated. All of these technologies and advancements combine to bring to market a true next-gen upper for the AR-15 platform. The Super Duty Complete Upper from Geissele Automatics offers unmatched performance, accuracy and reliability. Safety Instruction Guide for AR15 SUPER DUTY MOD1 5.56X45 NATO COMPLETE UPPER RECEIVER

Introduction

Thank you for choosing the Geissele Automatics AR15 SUPER DUTY MOD1 5.56X45 NATO COMPLETE UPPER RECEIVER. This product is designed with advanced technology to enhance your shooting experience. However, it is essential to use this product safely and responsibly. This guide provides important safety instructions and guidelines to ensure your safety and the safety of others.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the upper receiver and all firearms securely and out of reach of children and unauthorized users.
- Wear appropriate eye and ear protection when using this product.
- Regularly inspect the upper receiver for any signs of wear or damage before use.
- Ensure that you are familiar with the laws and regulations regarding firearm ownership and usage in your jurisdiction.

Specific Safety Precautions for Use

- Check that all components are properly assembled and functioning before use.
- Avoid using ammunition that does not conform to the specifications outlined for the upper receiver.
- Never modify the upper receiver or any of its components unless performed by a qualified gunsmith.
- Do not use the upper receiver if you are under the influence of drugs or alcohol.
- Ensure that the area where you are using the upper receiver is clear of bystanders and any potential hazards.
- Be aware of your target and what is beyond it when firing.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded before beginning installation.
- Align the Super Duty Upper with the lower receiver, ensuring the cam pin cutout is properly positioned.
- Secure the upper receiver to the lower receiver using the appropriate pins.
- Verify that the upper is locked in place and that there is no movement.

2. Usage:

- Load the firearm only when you are ready to shoot.
- Follow all local laws regarding the transportation and use of firearms.
- Use the HUXWRX Flash HiderQD muzzle device as specified in the product manual for optimal performance.
- After use, ensure the firearm is cleaned and maintained according to the manufacturer's recommendations.

Disposal Instructions

- When disposing of the upper receiver, ensure that it is rendered inoperable.
- Follow local regulations for the disposal of firearms and firearm components.

- Contact your local waste management authority for information on proper disposal methods.

Contact Information for Further Support

For safety inquiries, product support, or to report any unsafe conditions, please contact the manufacturer directly. Ensure you have the product information available for reference.

By adhering to these safety guidelines and instructions, you can ensure a safer and more enjoyable experience with your AR15 SUPER DUTY MOD1 5.56X45 NATO COMPLETE UPPER RECEIVER. Thank you for your attention to safety, and enjoy your shooting experience responsibly.
