[Firearms](#) > [Handguns](#) > [Semi-Auto](#)

Lone Wolf Arms, a company known as a leader of innovation in the Glock aftermarket, is proud to announce the DUSK19 pistol line. With more than two decades of experience providing aftermarket solutions to enhance both the performance and aesthetics of the Glock-pattern pistol, Lone Wolf Arms has implemented these years of development into the DUSK19. The upper includes a new DUSK19 profile slide made of 17-4SS and finished in either an attractive black nitride or a selection of great PVD options such as flat dark earth, oil rubbed bronze, or graphite gray. Front and rear serrations on the slide provide ease of chambering and press-check. The slide is reflex sight-ready with the DUSK19 optic cover plate included, which is compatible with both Trijicon RMR/SRO and Holosun 407/507/508 (Non-K Models) footprints. Additionally, this slide includes a suppressor height Night Fision Stealth Series sight with a Tritium insert for clear sight vision from DUSK to dawn. The upper also includes a 416 stainless-steel PVD coated barrel with the new DUSK 19 profile and is available in either threaded or non-threaded. The hood pocket and lateral ribs reduce bearing surface for faster cycling and coating wear resistance. The CCS frame features a 19° grip angle for improved point ability and interchangeable flat & rounded backstraps to allow the shooter the most comfortable choice of grip. The integrated take-down frame scallops for ease of function as well as integrated grip panels with a textured grip for an ergonomic, stable grip. The grip includes an integrated, flared magwell with a grip textured toe kick and an enlarged trigger guard to prevent "Glock knuckle". The trigger is a new flat enhanced system with improved geometry for trigger take-up and decreased energy to actuate. The trigger also offers a 30% reduction in Peak Force from the OEM trigger for smooth and efficient shooting. Additionally, the DUSK19 with a threaded barrel is light, weighing in at 20.0 oz without a magazine, and is the perfect EDC size at an overall length of 7.655". The DUSK19 Handgun combines the shootability and convenience you look for in a Glock-pattern pistol with the premium, trusted Lone Wolf Arms parts you know and love, engineering a truly unique handgun that is comfortable to shoot and built to last. Key Features: Reflex Sight Ready with DUSK optic cover plate included Interchangeable flat & rounded backstraps for comfortable, customized grip and integrated grip panels with form-fitting texture Stainless steel PVD coated barrel with DUSK profile New enhanced flat trigger system and ergonomic guard profile to reduce "Glock knuckle" Front & rear serrations for ease of chambering and press check Specs: OAL (w/ threaded barrel): 7.655" Threaded Barrel Length (breach - muzzle): 4.60" Height (without sights): 4.61" Threaded Barrel Height (with sights): 5.08" Upper Width: 1.00" Lower Width: 1.14" Magwell Width: 1.23" Weight (without magazine): 19.8/oz. Chamber: 9x19

DUSK 19 9MM LUGER THREADED BARREL SEMIAUTO HANDGUN SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the DUSK 19 9MM Luger Threaded Barrel SemiAuto Handgun. This safety instruction guide is designed to ensure the safe use of your handgun while complying with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product to understand the potential hazards and how to avoid them.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the handgun pointed in a safe direction at all times.
- Store the handgun securely, out of reach of children and unauthorized users.
- Use only the recommended ammunition for this handgun.
- Regularly inspect the handgun for any signs of wear or damage.
- Do not modify the handgun or use aftermarket parts that are not authorized by the manufacturer.
- Always wear appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure you have a clear line of sight before firing.
- Follow all local laws and regulations regarding firearm ownership and use.

Specific Safety Precautions for Use

- Ensure the handgun is unloaded before cleaning, storing, or transporting.
- Always keep your finger off the trigger until you are ready to shoot.
- Be cautious of the muzzle and ensure it does not point at anything you do not intend to shoot.
- If you experience a malfunction, keep the handgun pointed in a safe direction and wait for at least 30 seconds before attempting to clear the malfunction.
- Do not use the handgun under the influence of drugs or alcohol.
- Be mindful of the potential for ricochets when shooting in areas with hard surfaces.

Instructions for Installation and Usage

1. Loading the Handgun:

- Ensure the handgun is pointed in a safe direction.
- Insert the magazine into the magazine well until it clicks into place.
- Pull the slide back to chamber a round and release the slide.

2. Firing the Handgun:

- Ensure your stance is stable and your grip is firm.
- Align your sights with your target.
- Slowly squeeze the trigger to fire.

3. Unloading the Handgun:

- Point the handgun in a safe direction.
- Press the magazine release button to remove the magazine.
- Pull the slide back to eject any chambered round.

4. Cleaning and Maintenance:

- Ensure the handgun is unloaded before cleaning.
- Use a cleaning kit specifically designed for firearms.
- Regularly clean the barrel and other components to maintain performance.

Disposal Instructions

- Dispose of the handgun in accordance with local laws and regulations.
- Do not dispose of ammunition in regular trash.
- Contact local authorities or a certified disposal service for safe disposal options.

Contact Information for Further Support

For any inquiries regarding safety, maintenance, or product support, please refer to the manufacturer's contact information provided with your product. It is essential to have access to professional assistance for any concerns related to your handgun.

Conclusion

By following these safety instructions, you can ensure the safe and responsible use of your DUSK 19 9MM Luger Threaded Barrel SemiAuto Handgun. Always prioritize safety and remain vigilant while handling firearms. Thank you for your attention to these important guidelines.
