# FX7 Bolt Action Prefit 6.5 Creedmoor Rifle Barrel

## Safety Instructions

### Introduction

Thank you for choosing the FX7 Bolt Action Prefit 6.5 Creedmoor Rifle Barrel from Faxon Firearms. This product is designed for precision performance and safety. Please read this safety instruction guide carefully to ensure safe handling, installation, and use of your new rifle barrel.

### General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Ensure that the barrel is compatible with your FX7 Bolt Action Receiver before installation.
- Store the barrel and all firearms in a secure location, out of reach of children and unauthorized users.
- Always wear appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure a safe shooting environment.
- Follow all local laws and regulations regarding firearm ownership and usage.

### Specific Safety Precautions for Use

- Ensure that the barrel is free of obstructions before firing.
- Use only the recommended caliber (6.5 Creedmoor) for this barrel.
- Check the barrel for any signs of damage or wear before each use.
- Ensure that the barrel is properly installed and tightened to specifications.
- Avoid using reloaded or handloaded ammunition unless they are verified to meet safety standards.
- Do not exceed the manufacturer's recommended load specifications.

### Instructions for Installation and Usage

#### 1. Preparation

- Ensure that the firearm is unloaded and the bolt is removed.
- Gather the necessary tools for installation, including a torque wrench and barrel vise.

#### 2. Installation

- Align the barrel with the receiver.
- Secure the barrel using the appropriate tenon thread (1.0625" x 16 TPI).
- Tighten the barrel to the manufacturer's specifications using a torque wrench.
- Doublecheck alignment and ensure there are no gaps between the barrel and receiver.

#### 3. PostInstallation Check

- Inspect the installation for any visible gaps or misalignment.
- Ensure that the muzzle thread (5/8x24) is clean and free of debris.
- Perform a function check to ensure the action cycles smoothly.

#### 4. Usage

- Load the firearm only when you are ready to shoot.
- Follow all safety procedures for loading and firing.
- After use, clean the barrel according to the manufacturer's recommendations to maintain performance.

## **Disposal Instructions**

- Dispose of the barrel in accordance with local regulations.
- If the barrel is damaged or no longer usable, consider recycling options that comply with environmental standards.
- Do not dispose of firearms or firearm components in regular household waste.

## **Contact Information for Further Support**

For any questions regarding safety, installation, or performance of the FX7 Bolt Action Prefit 6.5 Creedmoor Rifle Barrel, please refer to the official Faxon Firearms website or customer support channels.

By following these safety instructions, you can ensure a safe and enjoyable shooting experience with your FX7 Bolt Action Prefit Rifle Barrel. Always prioritize safety and be aware of your responsibilities as a firearm owner.
