Safety Instruction Guide for FX7 308 Winchester Barreled Bolt Action Receiver

Introduction

Thank you for choosing the Faxon FX7 308 Winchester Barreled Bolt Action Receiver. This guide provides essential safety instructions and guidelines to ensure safe and effective use of your product. Please read this manual carefully before installation and use.

General Safety Guidelines

To ensure the safe use of the FX7 Barreled Bolt Action Receiver, please adhere to the following guidelines:

- Always treat the receiver and any firearm as if they are loaded.
- Keep the firearm pointed in a safe direction at all times.
- Ensure that the firearm is not in reach of children or unauthorized persons.
- Use appropriate eye and ear protection when handling or firing the firearm.
- Regularly inspect the receiver for signs of wear or damage.
- Follow all local, state, and national laws regarding firearm ownership and use.
- Do not modify the receiver or any associated components without consulting a qualified gunsmith.
- Store the firearm and receiver in a secure location, preferably in a gun safe.

Specific Safety Precautions for Use

When using the FX7 Barreled Bolt Action Receiver, please observe the following precautions:

- Ensure that the receiver is compatible with the trigger and stock or chassis you plan to use.
- Only use ammunition that is specified for the .308 Winchester caliber.
- Be aware of the bolt lift mechanism; practice safe handling to avoid accidental discharge.
- Verify that the recoil lug is correctly installed and secure before use.
- Check that the barrel is properly installed and torqued to the manufacturer's specifications.
- Familiarize yourself with the operation of the M16 style extractor and plunger style ejector before use.
- Always perform a function check of the receiver after installation and before firing.

Instructions for Installation and Usage

To ensure proper installation and use of your FX7 Barreled Bolt Action Receiver, follow these steps:

1. Installation of the Trigger:

- Select a compatible trigger designed for the Remington 700 pattern.
- Follow the manufacturer's instructions for trigger installation.
- Ensure the trigger is properly secured and functions correctly.

2. Mounting the Receiver:

- Choose a stock or chassis that is compatible with the FX7 receiver.
- Carefully insert the receiver into the stock or chassis.
- Secure the receiver using the appropriate screws and hardware as per the stock or chassis instructions.

3. Barrel Installation:

- Ensure the barrel is compatible with the FX7 receiver.
- Clean the barrel and receiver threads before installation.
- Torque the barrel to the manufacturer's specifications using a torque wrench.
- Verify that the muzzle thread is clear and free of obstructions.

4. Final Checks:

- Once assembled, check for any loose components.
- Perform a function check to ensure that the action cycles smoothly.
- Inspect the magazine well for compatibility with AICS and AW magazines.

5. Safe Handling:

- Always keep the receiver pointed in a safe direction when loading or unloading.
- Do not place your finger on the trigger until you are ready to fire.
- Be mindful of your surroundings and ensure that the area is clear of obstructions and people.

Disposal Instructions

When it comes time to dispose of the FX7 Barreled Bolt Action Receiver or any associated components, please follow these guidelines:

- Do not dispose of firearms or firearm components in regular trash.
- Contact local authorities or a licensed firearms dealer for proper disposal methods.
- Ensure that any disposed components are rendered inoperable to prevent misuse.
