# Safety Instruction Guide for EPC/AR9 9MM LUGER BOLT CARRIER GROUP

## Introduction

Thank you for choosing the Aero Precision EPC/AR9 9MM Luger Bolt Carrier Group. This product is designed for use in blowback AR platform firearms. To ensure your safety and the proper functioning of the product, please read and follow this safety instruction guide carefully.

## General Safety Guidelines

- Always treat the firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Ensure the firearm is unloaded before performing any maintenance or installation.
- Use only compatible components with the EPC/AR9 Bolt Carrier Group.
- Store firearms and ammunition securely and out of reach of children.
- Follow all local laws and regulations regarding firearm ownership and usage.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Compatibility:** The Aero Precision EPC/AR9 Bolt may not be compatible with some aftermarket fire control groups. It is recommended to use a milspec or PCC specific trigger group.
- **Verification:** After assembly, verify proper operation and trigger reset with an unloaded firearm prior to use.
- **Folding Stock Adapters:** This bolt is not compatible with most AR15 folding stock adapters.
- **Vulnerable Groups:** Keep this product out of reach of children and ensure that only responsible adults handle the firearm.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure you have the necessary tools for installation.
- Work in a clean and safe environment.

### 2. Installation:

- Remove the upper receiver from the lower receiver of your firearm.
- Insert the 8620 Steel Bolt Assembly into the upper receiver.
- Ensure that the 4140 Steel Bolt Guides are properly aligned.
- Install the Grade 23 Titanium Firing Pin and Firing Pin Retaining Pin.
- Attach the 4140 Steel Extractor and the heavyduty extractor coil pin (all parts are installed).
- Reassemble the upper receiver with the lower receiver.

### 3. Usage:

- Load the firearm only when you are ready to shoot.
- Always check the chamber and magazine to ensure they are clear of ammunition before performing any maintenance.
- Follow proper shooting practices and guidelines.

## **Disposal Instructions**

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not throw away the product in regular household waste. Instead, contact local waste management authorities for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the Aero Precision EPC/AR9 9MM Luger Bolt Carrier Group, please refer to the manufacturer's website or customer support resources for assistance.

By following these guidelines and instructions, you can help ensure your safety and the proper functioning of your Aero Precision EPC/AR9 Bolt Carrier Group. Thank you for your attention to these important safety measures.
