# Safety Instruction Guide for M5 308 Winchester Assembled Upper Receiver

## Introduction

Thank you for purchasing the M5 308 Winchester Assembled Upper Receiver from Aero Precision. This guide provides essential safety instructions to ensure the safe use and handling of your product. Please read this document carefully before use.

## General Safety Guidelines

- Ensure that you are familiar with the operation of firearms and their components before using this product.
- Always treat every firearm as if it is loaded, even if you believe it to be empty.
- Store this product and any associated firearms securely and out of reach of children and unauthorized users.
- Regularly inspect your assembled upper receiver for any signs of wear or damage.
- Always use appropriate personal protective equipment (PPE) such as eye and ear protection when using firearms.
- Be aware of your surroundings and ensure a safe environment when handling firearms.

## Specific Safety Precautions for Use

- Do not modify or alter the assembled upper receiver in any way that may affect its safety or performance.
- Ensure that the barrel and gas system are properly installed and functioning before use.
- Use only compatible components and accessories as specified in the product description.
- Follow manufacturer guidelines for ammunition type, specifically using .308 Winchester cartridges.
- Avoid using the firearm in adverse weather conditions that may affect its performance or safety.
- Be aware of the potential for recoil and ensure you are in a stable shooting position.

## Instructions for Installation and Usage

### 1. Installation of the Assembled Upper Receiver

- Ensure that the lower receiver is compatible with the M5 upper receiver.
- Align the takedown pin holes on the upper and lower receivers.
- Insert the takedown pins to secure the upper receiver to the lower receiver.
- Ensure that the upper receiver is locked in place and does not move.

### 2. Usage of the Assembled Upper Receiver

- Before loading, visually and physically inspect the chamber to ensure it is clear.
- Load the firearm with .308 Winchester ammunition only.
- Engage the safety mechanism before loading or unloading the firearm.
- When ready to fire, disengage the safety and aim at the intended target.
- After firing, always check the firearm to ensure it is clear of obstructions before reloading.

### 3. PostUse Care

- After use, clean the upper receiver and barrel according to the manufacturer's recommendations.
- Store the assembled upper receiver in a secure location, preferably in a locked safe or cabinet.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local regulations.
- If the assembled upper receiver is no longer in use, consider selling it through a licensed dealer or turning it in to local authorities.
- Do not dispose of the upper receiver in regular trash; follow local laws regarding firearm disposal.

## **Contact Information for Further Support**

For any inquiries regarding safety, product features, or support, please refer to the contact information provided with your product or visit the manufacturer's website.

## **Conclusion**

By following these safety instructions, you can help ensure a safe and enjoyable experience with your M5 308 Winchester Assembled Upper Receiver. Always prioritize safety and compliance with local laws and regulations. Thank you for choosing Aero Precision.
