

R3D 2.0 SUPPRESSOR HEIGHT NIGHT SIGHTS FOR GLOCK 17/19/22 - XS SIGHT SYSTEMS R3D 2.0 OPTIC/SUPPRESSOR FOR GLOCK 17/19/22/26/38 ORANGE

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

XS second-generation R3D night sights are engineered to give you a brighter, stronger set of sights. Easily install your sights with a set that requires 50% less force for installation. R3D sights are built to withstand years of EDC use and abuse. The set drives focus downrange using a serrated blacked-out rear sight and a dual-illuminated tritium photoluminescent front sight. R3D sights are the brightest notch and post option for fast and accurate shooting in bright and low light. Fits 17,19,22-24,26,27,31-36,38

Safety Instruction Guide for R3D 2.0 Suppressor Height Night Sights for Glock

Introduction

Thank you for choosing the R3D 2.0 Suppressor Height Night Sights for your Glock. These sights are designed to enhance your shooting experience by providing superior visibility in various lighting conditions. This guide will provide important safety information, installation instructions, and usage guidelines to ensure your safety and satisfaction.

General Safety Guidelines

- Ensure that you are familiar with your firearm and its operation before installing the sights.
- Always treat your firearm as if it is loaded, even if you believe it to be unloaded.
- Keep your firearm pointed in a safe direction at all times.
- Store your firearm and accessories in a secure location, out of reach of children and unauthorized users.
- Always wear appropriate eye and ear protection when using your firearm.
- Regularly inspect your sights and firearm for any signs of damage or wear.

Specific Safety Precautions for Use

- Only use the R3D sights with compatible Glock models: 17, 19, 22, 24, 26, 27, 31, 32, 33, 34, 35, and 38.
- Ensure that the sights are properly installed before using your firearm.
- Do not attempt to modify or alter the sights in any way.
- Be aware that improper installation may affect the accuracy and safety of your firearm.
- If you notice any issues with the sights, discontinue use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Installation Instructions

1. **Preparation:** Ensure your firearm is unloaded and pointed in a safe direction.
2. **Remove Existing Sights:** Use a sight pusher tool or appropriate method to remove the existing sights from your Glock.
3. **Clean the Sight Base:** Wipe the sight base area to remove any debris or residue.
4. **Install the R3D Sights:**
 - Align the rear sight with the dovetail cut on your Glock slide and press it into place.
 - Align the front sight with the appropriate location on the slide and press it into place.
5. **Check Alignment:** Ensure that both sights are aligned correctly and securely in place.
6. **Test Functionality:** After installation, perform a function check to ensure that the sights are secure and do not obstruct the operation of the firearm.

Usage Guidelines

- When aiming, focus on the front sight while keeping the rear sight and target in your peripheral vision.
- In lowlight conditions, the tritium photoluminescent front sight will help you acquire your target quickly.
- Practice regularly to become familiar with the sight picture and improve your shooting accuracy.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If you need to dispose of the sights, check with local waste management authorities for proper disposal methods to ensure environmental safety.

Contact Information for Further Support

For any questions or concerns regarding the R3D 2.0 Suppressor Height Night Sights, please refer to the manufacturer's contact information provided in the product packaging or visit their official website for support resources.

Conclusion

Your safety is our priority. By following these guidelines, you can ensure a safe and effective experience with your R3D 2.0 Suppressor Height Night Sights. Always prioritize safety and responsible firearm handling. Thank you for choosing our product.
